## General Information

The Tennessee Governor's Schools offer Tennessee high school students intensive learning experiences virtually or on postsecondary campuses. Each school system is encouraged to share the Governor's School information and applications with strong students who meet the criteria listed below. Nominations for the Tennessee Governor's Schools must be made by high school educators who can speak to the student's potential for success in the program. Each Governor's School convenes an application review committee to select the students invited to attend each school.

**Governor's School for Scientific  
Exploration of Tennessee Heritage  
East Tennessee State University  
May 29 – June 24, 2022**

The Governor's School for the Scientific Exploration of Tennessee Heritage is a four-week program that explores the unique history and culture of Tennessee through integrated concepts of science, preservation, and interpretation, offered in the spectacular setting of the southern Appalachian Mountains. The program offers students the opportunity to complete three credit hours at East Tennessee State University (ETSU), along with seminars in research and writing skills. Students will participate in intensive field experiences such as a *Paleontology Experience* at the world-renowned Gray Fossil Site; a *Pioneer Experience* at ETSU's outdoor research and laboratory facility; and an environmental/ecology experience through Tennessee State Parks. The program will also include visits to historical, cultural, and natural sites such as The Museum of the Cherokee Indian, The Birthplace of Country Music Museum, Roan Mountain State Park, and the International Storytelling Center. Students will enjoy a range of activities related to Tennessee history, such as hiking, Appalachian traditional dance, storytelling, and traditional music.

Prerequisites: Applicants must have a 3.0 GPA or higher, strong preparation and interest in history and science, and good research and writing skills. Some of the fieldwork is physically challenging. If students have any questions or concerns about their ability to complete such activities, they should contact the program at [SMITHLB1@etsu.edu](mailto:SMITHLB1@etsu.edu) or (423) 439-7995. Students invited to attend will receive instructions on completing the ETSU application process after accepting the invitation to attend.

**Application deadline: January 15, 2021**
