July 24, 2020

Robert Colby, Director
Chattanooga-Hamilton County Air Pollution Control
6215 Preservation Drive
Chattanooga, TN 37416-3638

Reference: Second Quarter 2020 TDEC /Performance Audits

Dear Mr. Colby:

This report contains the results of performance audits conducted by personnel from Tennessee’s Air Quality Assurance Program on June 9th and 10th, 2020. The audits were performed on various instruments at multiple monitoring locations throughout the Hamilton County monitoring network, including gaseous analyzers for ozone and low volume particle samplers for PM2.5. Sites audited include East Ridge, Eastside Utilities, Siskin Drive and Soddy Daisy.

During the Quality Assurance Performance Audits (QAPAs) on June 9th and 10th, 2020, Tennessee Air Quality Assurance personnel audited the flow rate of each low volume particle sampler against a specified design flow rate and a transfer standard. QA personnel also audited each ozone analyzer with a level three standard (Teledyne 750 multi-gas calibrator) to determine the accuracy of the analyzer against a certified standard. These audits were conducted to ensure that each air monitor within the Hamilton County network was operating within accepted criteria established by federal regulations and guidance documents. Acceptable limits of these performance audits are published in 40 Code of Federal Regulations (CFR) Part 58 and QA Handbook Volume II, which establish federal standards for Quality Assurance and Quality Control practices for ambient air monitoring. These acceptable limits should be considered in conjunction with your Quality Assurance Plan.

Results from the second quarter, 2020 QAPAs, demonstrate that the Hamilton County air monitoring network was operating within acceptable limits of federal regulations and quality assurance guidelines. All QPA results were noted in the instrument logbooks and summarized in the following pages of this report. The next TDEC QAPAs will be scheduled with Kathy Jones before September 2020.

If we can be of any further assistance or should there be questions regarding this audit, please email me at Lance.Allen@tn.gov or call (615)687-7040

Sincerely,

D. Lance Allen
