

## **PUBLIC MEETING NOTICE**

Volunteer Sand and Gravel, LLC (Facility ID: 43-0120 / Permit No. 978163) has applied to the Tennessee Division of Air Pollution Control (TDAPC) for construction of a Sand and Gravel Operation to be located in Humphreys County at 25 Burned House Road, Hurricane Mills, TN 37078. The proposed operation would be a wet process consisting of screens, conveyors and associated equipment used for the sizing of rock material. Wet suppression would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Ms. T. Kefauver is the assigned TDAPC person.

In accordance with the current State of Emergency and State and Federal directives and guidance to avoid social and recreational public gatherings of 50 or more people and to practice social distancing, TDAPC will hold the public meeting described in this notice, via video-conference. This public meeting is being conducted via video-conference in the interest of protecting public health, safety, and welfare in light of the coronavirus. Because this public meeting is held pursuant to the Tennessee Air Pollution Control Regulations (TAPCR) 1200-03-09-.01(1)(h), the meeting will have a question and answer format and will include a presentation on the proposed permit action by TDAPC staff. Information on how to join the online public meeting is provided below. Those without internet access may join by phone. In addition, written comments may be submitted in the manner described below.

### **Public Meeting Participation Instructions**
