

New Source Review newspaper advertisements for construction permit applications, June 15, 2020. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications will be published on the following dates: June 16-18, 2020. Public notices are generally published every week. The previous publication of public notices was June 11, 2020.

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 22nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (615) 532-0207. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

Header

The applicant is Hermitage Hardwood Lumber Sales, Inc. with a mailing address of P.O. Box 698, Cookeville, TN 38503. They seek to obtain an air contaminant permit (Division identification number: 71-0181-03/78322) for a Mobile Wood Grinder located at 105 Ridgedale Dr., Cookeville, TN 38503. The proposed operation would consist of a mobile wood grinder driven by a 536-diesel engine. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants will be emitted by this source.

Ms. Chelsea M. Materi is the assigned Division person.

For the Putnam County "Cookeville Herald-Citizen" -- publish once on Tuesday, June 16th, 2020.

Header

The applicant is Kellems Recycling Systems, Inc. with a mailing address of 885 Windridge Rd., Friendsville, TN 37737. They seek to obtain an air contaminant permit (Division identification number: 05-0204-10/78303) for a Diesel Engine Driven Log Splitter located at 771 McArthur Rd, Alcoa, TN 37701. The proposed operation would consist of a trailer mounted log splitter with a 67 HP diesel engine. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants will be emitted by this source.

Ms. Chelsea M. Materi is the assigned Division person.

For the Blount County "Maryville Daily Times" -- publish once on Tuesday, June 16th, 2020.

HEADER

The applicant is Develey Mustard & Condiments Corp. with a mailing address of 1845 Mustard Lane, Dyersburg, TN 38024. They seek to obtain an air contaminant permit (Division identification number: 23-0187-01/978007) for construction of a Condiments Production Facility at the same address. The proposed operation would consist of mustard seed receiving, storage, cleaning, milling, mixing, filling and packaging operations. Baghouses would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. J. Dolzen is the assigned Division person.

For the Dyer County "State Gazette" -- publish once on Tuesday, June 16th, 2020.

HEADER

The applicant is Garrott Bros. Continuous Mix, Inc. with a mailing address of P.O. Box 419 Gallatin, TN 37066. They seek to obtain an air contaminant permit (Division identification number: 74-0497-01/978293) for construction of a Concrete Batch Plant located at 5515 Lakeview Rd. Springfield, TN 37172. This operation consists of two silos, cement batcher, truck load out station and associated equipment used for dry mix concrete. Cartridge fabric filters would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Ms. T. Kefauver is the assigned Division person.

For the Robertson County "Robertson County Times" --publish once on Wednesday, June 17th, 2020

HEADER

The applicant is Garrott Bros. Continuous Mix, Inc. with a mailing address of P.O. Box 419 Gallatin, TN 37066. They seek to obtain an air contaminant permit (Division identification number: 83-0527-01/978292) for construction of a Concrete Batch Plant located at 155 Commerce Way Gallatin, TN 37066. This operation consists of three silos, cement batcher, truck load out station and associated equipment used for dry mix concrete. Cartridge fabric filters would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Ms. T. Kefauver is the assigned Division person.

For the Sumner County "News-Examiner" --publish once on or before Thursday, June 18th, 2020

HEADER

The applicant is Zochem LLC with a mailing address of 600 Printwood Drive, Dickson, TN 37055. They seek to obtain an air contaminant permit (Division identification number: 22-0178-01 / 77842) for modification of an existing source, their Zinc Recycling Operation located at 600 Printwood Drive, Dickson, TN 37055. Two baghouses will be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. S. Auth is the assigned Division person.

For the Dickson County "Dickson Herald" -- publish once on Wednesday, June 17th, 2020.

HEADER

The applicant is Valley Recycling LLC. with a mailing address of 325 Industrial Park Road, Sweetwater, TN 37874. They seek to obtain an air contaminant permit (Division identification number: 62-0123-02 / 978316) for modification of a sweat furnace at the same address. This existing operation consists of a sweat furnace for the separation of aluminum from scrap that contains Iron. An afterburner is used for pollution control. The proposed modification would consist of utilizing propane as a backup fuel source for this furnace. The propose modification will require orifice size change for the new fuel source. There would be minor physical construction. Regulated air contaminants are emitted by this source.

Ms. S. Deloach is the assigned Division person.
