Air Pollution Control Construction Permit Application for the following facility: The applicant is Ficosa North America Corporation with a mailing address of 2991 Highlands Park Blvd, Cookeville, TN 38506. The applicant seeks to obtain an air contaminant permit (Division identification number: 71-0361 and 980390) for modification of an existing surface coating of plastic automobile parts operation at the following location: 2991 Highlands Park Blvd, Cookeville, TN 38506. See the link to the attached document for additional details of this construction permit application and for information for those wishing to express comments. Public Notice Link

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to air.pollution.control@TN.gov or Ms. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within 30 days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Construction permits issued by TDAPC do not grant any authority to operate, construct, or maintain any installation in violation of any law, statute, code, ordinance, rule, or regulation of the State of Tennessee or any of its political subdivisions.

Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 22nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (615) 532-0207. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Ficosa North America Corporation with a mailing address of 2991 Highlands Park Blvd, Cookeville, TN 38506. The applicant seeks to obtain an air contaminant permit (Division identification number: 71-0361-01 and 980390) for construction at the following address: 2991 Highlands Park Blvd, Cookeville, TN 38506. The permit request is for the following: The proposed modification would consist of an increase in coating usage, and corresponding increase in allowable emissions, at an existing surface coating of plastic automobile parts operation. The operation consists of three coating booths utilizing three water curtains and one regenerative thermal oxidizer for pollution control. There would be no physical construction. Regulated air contaminants are emitted by this source. Information regarding this source can be found in the Division of Air Pollution Control Dataviewer by clicking the link which can be found at the bottom of the Division of Air Pollution Control webpage.

Justin Dolzen is the assigned Division person.
