

New Source Review newspaper advertisements for construction permit applications, July 30, 2020. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications will be published on the following dates: July 28-29, 2020. Public notices are generally published every week. The previous publication of public notices was July 23, 2020.

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 22nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (615) 532-0207. Hearing impaired callers may use the Tennessee Relay Service (1-800-848- 0298).

HEADER

The applicant is RQ Materials, LLC with a mailing address of P.O. Box 1482, Cookeville, TN 38503. They seek to obtain an air contaminant permit (Division identification number: 71-0409-01/978371) for the construction of a Rock Crushing and Sizing Operation located at 1404 S Dry Valley Road, Cookeville, TN 38506. This operation would consist of a jaw crusher, impact crusher, screens, conveyors and other associated equipment used for crushing and sizing rock material. Wet suppression would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Ms. T. Kefauver is the assigned Division person.

For the Putnam County "Cookeville Herald-Citizen"--publish once on Wednesday, July 29, 2020

HEADER

The applicant is Smoky Mountain Metals, Inc with a mailing address of 457 Continental Drive, Maryville, TN 37804. They seek to obtain an air contaminant permit (Division identification number: 05-0305-01 / 78346) for modification of an existing source, their Non-Ferrous Metal Processing Operation located at 444 Continental Drive, Maryville, TN 37804. A baghouse and cyclone will be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. S. Auth is the assigned Division person.

For the Blount County "Daily Times"-- publish once on Tuesday, July 28th, 2020.

HEADER

The applicant is Vulcan Construction Materials, LLC dba Midsouth Machine Shop with a mailing address of 3001 Alcoa Highway, Knoxville, TN 37920. They seek to obtain an air contaminant permit (Division identification number: 05-0400-01/78349) for a Car Bottom (stress relief) Furnace located at 534 National Drive, Maryville, TN 37804. This new operation would consist of a Natural gas-fired Furnace treating metal products. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants are emitted by this source. Mr. G. Forte is the assigned Division person.

Please publish in the Blount County "Maryville Daily Times" on Tuesday, July 28th, 2020.

HEADER

The applicant is Cormetech, Inc. with a mailing address of 11707 Steele Creek Road, Charlotte, NC 28273. They seek to obtain an air contaminant permit (Division identification number: 06-0218-03/78340) for modification of Six Electric Tunnel Kilns located at 3300 Old Tasso Road Northeast, Cleveland, TN 37312. This existing operation consists of six electric tunnel kilns used to manufacture catalyst material. The proposed modification is to increase the ammonia and sulfur dioxide emissions from the kilns based on revised material balance calculations. Baghouses are used for air pollution control. There would be no physical construction. Regulated air contaminants are emitted by this source. Mrs. Sarosh Kaiser is the assigned Division person.

For the Bradley County "Cleveland Daily Banner"--publish once on Wednesday, July 29, 2020.
