New Source Review newspaper advertisements for construction permit applications, July 11, 2019. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications will be published on one of the following date: July 11-16, 2019. Public notices are generally published every week. The previous publication of public notices was July 4, 2019.

PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 22nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532-0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

HEADER

The applicant is Campbell County Highway Department dba Campbell County Quarry with a mailing address of 136 Mount Paran Road, Jacksboro, TN 37757. They seek to obtain an air contaminant permit (Division identification number: 07-0025-01/976633) for an existing Rock Crushing and Sizing Operation located at 729 Towe String, Jacksboro, TN 37757. This existing operation consists of one (1) jaw crusher, one (1) impact crusher, screens, and conveyors used for crushing and sizing rock material. Wet suppression is used for pollution control. There would be no physical construction. Regulated air contaminants are emitted by this source. Mr. J. Horton is the assigned Division person.

For the Campbell County “Lafollette Press” - publish once on Thursday, July 11, 2019.

HEADER

The applicant is Dunlap Stone, Inc. dba Dunlap Quarry with a mailing address of P.O. Box 1595, Dunlap, TN 37327. They seek to obtain an air contaminant permit (Division identification number: 77-0020-01/976977) for an existing Batch Mix Asphalt Plant located at 5139 West Valley Road, Dunlap, TN 37327. The existing operation consists of a batch mixer, asphalt cement storage, crushed aggregate storage piles, and reclaimed asphalt pavement for making hot mix asphalt. Fabric filter bags (baghouse) is used for pollution control. There would be no physical construction. Regulated air contaminants are emitted by this source. Mr. J. Horton is the assigned Division person.

For the Sequatchie County “Dunlap Tribune”-- publish once on Thursday, July 11, 2019
The applicant is Cintas Corporation dba Cintas Kingsport with a mailing address of 2117 Berry Street, Kingsport, Tennessee 37664. They seek to obtain an air contaminant permit (Division identification number: (82-0209-14/977048) for modification of an existing Industrial Laundry Operation located at the same address. The proposed modification is to replace an existing permitted 2.5 MMBtu/hr gas dryer with a new 2.75 MMBtu/hr gas dryer. Lint filters would be used for pollution control. There would be physical construction. Regulated air contaminants are emitted by this source. Mr. Abbas Yavari is the assigned Division person.

For the Sullivan County “Kingsport Times-News”-- publish once on Thursday, July 11, 2019.

---------------------------------------------------------------

The applicant is Jatko, LLC dba Jasper Industrial Park with a mailing address of 1570 Industrial Boulevard, Jasper, TN 37347. They seek to obtain an air contaminant permit (Division identification number: 58-0136-01, 02, 07, & 08 / 976958) for the modification of an existing resin and latex chemical manufacturing operation located at the same address. The proposed modification consists of removing federal regulations previously thought to be applicable at this facility. The existing operations at this facility consist of one (1) 32,000 gallon vertical fixed roof storage tank of vinyl acetate (Tank I.D. 2001) [source 01], one (1) 32,000 gallon vertical fixed roof storage tank of formaldehyde (Tank I.D. 2002) [source 02], one (1) 2,700-gallon formaldehyde-acetone resin reactor and vacuum pump with knock down tank and scrubber (source 07), and one (1) 6,000-gallon acrylate latex reactor and vacuum pump with scrubber (source 08). There will be no physical construction. Regulated air contaminants are emitted by this source. Ms. J. Pratt is the assigned Division person.

For Marion County “Jasper Journal”--publish once on Tuesday, July 16, 2019.

---------------------------------------------------------------

The applicant is Carbon Black Global, LLC with a mailing address of 548 Barbrow Road, Dunlap, TN 37327. They seek to obtain an air contaminant permit (Division identification number: 77-0057-03/76941) for modification of an existing Gasification Plant located at the same address. The proposed modification is to convert existing charcoal manufacturing process equipment to a pilot plant used for research and development. Packed tower wet scrubber and baghouse control systems would be used for pollution control. There would be no physical construction. Regulated air contaminants are emitted by this source. Mr. G. Forte is the assigned Division person.

For the Sequatchie County “Dunlap Tribune” - publish once on Thursday, July 11, 2019.
