

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to air.pollution.control@TN.gov or Ms. Michelle W. Owenby, Director, Division of Air Pollution Control, Davy Crockett Tower, 500 James Robertson Parkway, 7th Floor, Nashville, Tennessee 37243 within 30 days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Construction permits issued by TDAPC do not grant any authority to operate, construct, or maintain any installation in violation of any law, statute, code, ordinance, rule, or regulation of the State of Tennessee or any of its political subdivisions.

Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 6th Floor, Davy Crockett Tower, 500 James Robertson Parkway, Nashville, TN 37243, (615) 532-0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848- 0298).

The applicant is East Tennessee Natural Gas, LLC – Hartsville Compressor Station with a mailing address of 915 North Eldridge Parkway, Suite 1100, Houston, TX 77079. The applicant seeks to obtain an air contaminant permit (Division identification number: 85-0053 and 84207) for the construction at the following address: 875 Boat Dock Road, Hartsville, TN. The permit request is for the modification of the following: Six natural gas turbine drivers, emergency generator engine, and associated equipment used for compressing the natural gas pipeline network for transmission and maintaining natural gas flow within a regional area. There would be physical construction. Regulated air contaminants would be emitted by this source. The modification request is for the addition of four natural gas turbine drivers to the compressor station. Information regarding this source can be found in the Division of Air Pollution Control Dataviewer link which can be found at the bottom of the Division of Air Pollution Control webpage.

Jimmie Horton is the assigned Division person.
