SBEAP long term projects and involvement

Overview of SBEAP long term projects and involvement with other division workgroups. Includes Ready-Mix Concrete stormwater training, video development, grant applications and projects, and updates on APC Air Curtain Incinerator workgroup and APC Oil and Gas Methane Reduction workgroup

SBEAP metric development

Overview of the SBEAP plans for a new database and ideas for what metrics are needed. Would especially like CAP input on what metrics they think we should try to collect.
