Consent Order Updates

DOR21-0050, Booker Assets TN, LLC Former Murray-Ohio Plant, Lawrenceburg, DOR 50-508

- Signed November 21, 2023
- \$10,000 penalty; \$6,500 contingent on removal of solid waste placed in on-site sinkhole
- Order requires targeted site investigation, including vapor intrusion; submittal of a Soil Management Plan; and submittal of a Remedial Action Work Plan
- Once the Remedial Action Work Plan is approved by DOR, the parties will enter into a second consent order for implementation of the selected remedies.

Director's Order Updates

DOR22-0072, Ashley Dugger

Former Electro-Lite Battery, Chattanooga, DOR 33-660

- Director's Order final on May 31, 2023.
 - Interim action to address site security;
 - Remedial investigation of the site; and
 - Filing of Notice of Land Use Restrictions (NLUR).
- Respondent recorded NLUR on September 25, 2023.
- Multiple interim actions to address site security completed in 2023.
- Remedial investigation work plan due March 2024.

Commissioner's Order Updates

DOR99-0480, OXY USA, Inc. and Glenn Springs Holdings, Inc.

Lower North Potato Creek, Polk County, DOR 70-508

- Met biological integrity goals in all North Potato Creek reaches for the first time in 2022 and, again, in 2023.
- Site has undergone extensive remediation over the last 23 years.
- In fall 2023, three additional properties were remediated. One additional property will be remediated in 2024.
- It is expected that a Record of Decision and Notice of Land Use Restriction will be completed this year.
