## Sharp Transport – Who We Are

- ✘ Contract Carrier providing full truckload transportation services.
- ✘ Dedicated Fleet/Private Fleet services under long-term contract provided through *Sharp Solutions Group*.
- ✘ Established in 1979, in response to a need a southern Middle Tennessee company had...would become Sharp's largest customer in the early years
- ✘ Family-owned since its inception.
- ✘ *WOSB* certified

---

## Scope of Operation

- ✘ Dry Van Truckload services provided in the Southeast, Midwest, Mid-Atlantic, Northeast and West Coast market areas.
- ✘ Currently running 125 power units, comprised of Freightliner, Kenworth, and International tractors
- ✘ 350 - 53' trailers.
- ✘ A non-union, company-owned fleet with the exception of 15 fleet owners that are permanently leased to Sharp.

- ✘ Program introduced early 2015
- ✘ Trailer designation only
- ✘ Must prove a calculated Fuel Efficiency Advantage of 9% or greater
- ✘ Sharp Transport, Inc. first to receive *Elite* status in United States while showing an 11% improvement!
- ✘ Named as Top 50 Green Fleet for 2015.

# ***ADOPTED GREEN PRACTICES***

---

- ✘ Recycle used engine oil as heat for headquarters in Ethridge, TN.
- ✘ Eliminated waste paper by converting to 100% electronic log records as well as electronic vehicle inspection reports in 2014.
- ✘ Updated building lighting through TVA incentives to reduce energy consumption by 13% annually
- ✘ Adopted aerodynamic technologies to decrease fuel consumption by 23% and counting.
- ✘ Individually train drivers on techniques and habits to increase fuel efficiency and reward with incentives
