WE MOVE NASHVILLE

1. INTRODUCTION

Transportation Action Agenda

- **Public Transit**
- **Vision Zero**
- **Streets for People**
- **Connected Transportation**
- **Getting it Done**

2. PUBLIC TRANSIT

To become a world-class transit city, we will:

- **Better Bus Service**
- Upgrade the Bus Fleet
- Make Walking to Transit Safe and Attractive
- Make Transit Both Visible and Legible
- Give Transit Priority
- Start Work on High Capacity Corridors

4. STREETS FOR PEOPLE

To create the safer and more attractive walking environment that is essential to making public transit work, we will:

- **Quickly implement projects that encourage walking and biking**
- Create a Low-stress Bikeway Network
- Ensure Safe Routes to Schools
- Remove Barriers to Walking

4. STREETS FOR PEOPLE

To create the safer and more attractive walking environment that is essential to making public transit work, we will:

- Ensure Safe Routes to Schools
- **Remove Barriers to Walking**

5. CONNECTED TRANSPORTATION

To reduce traffic delay, simplify parking, expand innovative transportation options, and make transit easier to use, we will:

- **Ensure Optimal Use of Our Streets**
- Launch Nashville Complete Trips Program
- Expand Innovative Transportation Options
- Improve Access to Nashville's Businesses
- Explore Advanced Vehicle Technology
- Provide Residents with Information About Their Streets

6. GETTING IT DONE

To ensure we implement our priorities quickly, we will:

- **Rally Around a Common Vision**
- **Improve Community and Customer Relations**
- **Ensure Growth Doesn't Equal Gridlock**
- **Deliver Outstanding Roadways**
- **Passing a Transit Funding Referendum in 2018**
