Department of Environment & Conservation

BUILD AMERICA, BUY AMERICA (BABA) Manufacturer Certification

TN Grid Resilience Grant Program — Optional Template

Instructions: Complete and sign for each product or group of products. Equivalent manufacturer documentation may be used if it includes the same information. Attach additional product rows as needed.

Project and Manufacturer Information

Date: _____	Covered GRID Project / County / Location: _____
Manufacturer Legal Name: _____	Manufacturer Address: _____
Representative Name and Title: _____	Phone / Email: _____

Product Schedule

Identify each product and assign one BABA category based on its condition when brought to the work site: IS (iron/steel product), MP (manufactured product), or CM (construction material).

Product / Description	Model / Part No.	Manufacturing Facility (City, State)	BABA Category (IS/MP/CM)	CM Subtype (if applicable)

Category-Specific Certification

Check each category appearing in the Product Schedule. Only the applicable standard(s) below are certified.

☐ **IRON OR STEEL PRODUCT** For each IS product listed, I certify that all manufacturing processes, from initial melting through application of coatings, occurred in the United States.

☐ **MANUFACTURED PRODUCT** For each MP listed, I certify that it was manufactured in the United States and that the cost of U.S.-mined, -produced, or -manufactured components is greater than 55% of the total component cost, unless a different applicable domestic-content standard is established by law or regulation.

☐ **CONSTRUCTION MATERIAL** For each CM listed, I certify that all manufacturing processes required in the United States by 2 CFR 184.6 for its identified subtype occurred in the United States.

Manufacturer Attestation

I certify that the information above is true and accurate to the best of my knowledge, that I am authorized to certify for the manufacturer, and that supporting company records are available upon request.

Authorized Representative: _____	Title: _____
