System Clean Up

- Organizations with Missing/Incorrect Information
 - Review your organization, if changes are needed reach out to TDEC.Grants@tn.gov
- Removing Duplicate User Accounts/Organizations
- Removing Unused Organizations
- County/Government Fixes
 - *EX: GMS shows Anderson County, but the awarded legal entity is Anderson County Government*
- Organization/Legal Entity Name Fixes
 - *Organization linked to the application should be the same as what is shown in the 'legal entity name' section in the contract tab*

User Access/Roles/Affiliations

- Grantees

- Primary Contact

- NOTE: One per organization, this is usually the mayor, president, etc. who has authority to sign.*

- The primary contact automatically has access to all of their organization's applications.

- All other users

- NOTE: Will need to affiliate with appropriate organization(s)*

- For security reasons, users only have access to an application if they open it themselves or are assigned to it. If they have not affiliated with the organization, they won't be able to see the application until they have affiliated.

User Role Information

Primary Contact - User who has the organization marked in their profile as their primary organization (not 'Not Affiliated')

Application Completed By - User who created the application

Assigned Org. Contact - User(s) who have been assigned to the application as an 'Organization Contact'
