

Who we are:

The Department of Environment and Conservation exists to enhance the quality of life for citizens of Tennessee and to be stewards of our natural environment.

Our Department is committed to providing a cleaner, safer environment that goes hand-in-hand with economic prosperity and increased quality of life in Tennessee. We deliver on our mission through managing regulatory programs that maintain standards for air, water and soil quality while providing assistance to businesses and communities in areas ranging from recreation to waste management. We manage the state park system and programs to inventory, interpret and protect Tennessee's rich natural, historical, and archaeological heritage.

About the Division of People and Organizational Development (POD):

The Division of People and Organizational Development is responsible for providing fast, accurate, and quality customer service with proactive communication to TDEC employees, their families, state partners, and the public. We strive to maintain trust by protecting confidential information, model and encourage a civil and healthy TDEC culture, and promote a safe work environment.
