Who we are:

The Department of Environment and Conservation exists to enhance the quality of life for citizens of Tennessee and to be stewards of our natural environment.

Our Department is committed to providing a cleaner, safer environment that goes hand-in-hand with economic prosperity and increased quality of life in Tennessee. We deliver on our mission through managing regulatory programs that maintain standards for air, water and soil quality while providing assistance to businesses and communities in areas ranging from recreation to waste management. We manage the state park system and programs to inventory, interpret and protect Tennessee’s rich natural, historical, and archaeological heritage.

About the Division of Remediation:

The Division of Remediation (DoR) identifies and investigates hazardous substance sites, then uses practical and effective remedies to correct issues found which minimizes threats to public health, safety, and the environment. DoR oversees work at National Priority List (NPL) Superfund sites, state inactive hazardous substance sites, brownfields, dry cleaners, and properties where methamphetamine was illegally manufactured. DoR operates the Voluntary Cleanup, Oversight and Assistance Program (VOAP) and supports the redevelopment and revitalization of brownfields to protect the environment, reuse existing infrastructure, minimize urban sprawl and create economic opportunities.

The DoR Oak Ridge office focuses on the US Department of Energy (DOE) Oak Ridge Reservation (ORR). DoR concentrates on joint remedial decisions made with the DOE and the U.S. Environmental Protection Agency (EPA).
