

Who we are:

The Department of Environment and Conservation exists to enhance the quality of life for citizens of Tennessee and to be stewards of our natural environment.

Our Department is committed to providing a cleaner, safer environment that goes hand-in-hand with economic prosperity and increased quality of life in Tennessee. We deliver on our mission through managing regulatory programs that maintain standards for air, water and soil quality while providing assistance to businesses and communities in areas ranging from recreation to waste management. We manage the state park system and programs to inventory, interpret and protect Tennessee's rich natural, historical, and archaeological heritage.

About the Tennessee State Parks

From its beginning in 1937, Tennessee State Parks were established to protect and preserve the unique natural, cultural, and historic resources of Tennessee. The public interest has also been served by a variety of benefits for citizens and communities produced by our state park system, promoting stronger communities and healthier citizens across the state through diverse resource-based recreation while conserving the natural environment for today and tomorrow – preserving authentic Tennessee places and spaces for future generations to enjoy. As stewards of the resources in our parks, we seek to manage Tennessee's state parks in order to preserve and protect valued resources and to provide a balance of services and benefits for the enjoyment of the people.

Mission Statement:

To provide professional, effective management and stewardship of the park and all its resources; present compelling interpretation of the park's story and resources; provide opportunities for safe enjoyable outdoor and recreational experiences to all park visitor; provide a safe and inspiring workplace for all park employees and volunteers; manage all park operations to be as efficient and cost effective as possible; and to partner with local community leaders to bring a positive economic impact to the area surrounding the park.
