

Registered Inspection (RI) Program Newsletter

October 2025

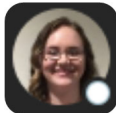

Welcome to the RI Program Newsletter! In order to better communicate changes within the RI Program, a periodic newsletter will be sent out to all active registered inspectors. This newsletter will provide relevant regulatory changes, helpful hints, fun facts, as well as a chance for registered inspectors to give feedback on the program.

An Introduction to the RI Section:

Seble Aynachew - Environmental Consultant

Jana Miller - Environmental Consultant

Colin Shumake - Registered Inspection Manager

Did you know?

The RI Section reviews around 2000 inspections per year for 1200 unique registrations. That's about 6500 x-ray tubes inspected annually!
