

**STATE OF TENNESSEE
DEPARTMENT OF ENVIRONMENT AND CONSERVATION**

Division of Remediation - Oak Ridge
761 Emory Valley Road
Oak Ridge, Tennessee 37830

September 14, 2022

Mr. Roger Petrie
Federal Facility Agreement Manager
Oak Ridge Office of Environmental Management
U.S. Department of Energy
Post Office Box 2001
Oak Ridge, Tennessee 37831

TDEC Review: Administrative Record Index submitted August 31, 2022 in support of the Record of Decision for Comprehensive Environmental Response, Compensation, and Liability Act Oak Ridge Reservation Waste Disposal at the Environmental Management Disposal Facility, Oak Ridge, Tennessee (DOE/OR/01-2794&D2/R1)

Dear Mr. Petrie

The Tennessee Department of Environment and Conservation (TDEC), Division of Remediation-Oak Ridge Office reviewed the subject document pursuant to Section XXXIII of the Federal Facility Agreement (FFA) for the Oak Ridge Reservation. As specified by the FFA, this letter shares TDEC's written recommendations and comments regarding the contents of the proposed Administrative Record (AR). Resolution of these comments will support finalization of a complete AR. TDEC's letter on the D1 Record of Decision includes several comments on the AR, and this letter completes TDEC's review of the AR.

As shown in excerpts provided in Enclosure 1, some text is overprinted or superimposed on other text in the electronic copy of the proposed AR index provided on August 31, 2022. This problem does not exist in the version posted at the U.S. Department of Energy Information Center (DOEIC) online catalog: <https://doeic.science.energy.gov/uploads/F.0615.054.0246.pdf>. In addition to providing a legible copy, TDEC recommends paginating the index if possible.

Enclosure 2 lists documents that appear to be absent from, and should be added to, the proposed Administrative Record. The list provides links to each document, many of which are available in the DOEIC.

TDEC identified other potential issues that warrant review and possible correction.

- The DOEIC number for an October 23, 2019 letter is listed as F.0615.074.0182 in the proposed AR and as F.0615.036.0182 in the DOEIC.
- The title for F.0615.029.0065 incorrectly affiliates Carl Froede with TDEC.
- Should the date for F.0615.030.0098 be August 24, 2016 instead of August 31, 2016?

Questions or comments concerning the contents of this letter should be directed to Brad Stephenson at the above address, by phone at (865) 220-6587 or by email at brad.stephenson@tn.gov.

Sincerely

Randy C. Young
FFA Project Manager
Division of Remediation – Oak Ridge Office
