Connie/Randy,

Due to continued discussions on the radiological discharge limits, which are a pertinent part of updating the *Focused Feasibility Study for Water Management for the Disposal of CERCLA Waste on the Oak Ridge Reservation, Oak Ridge, TN* (DOE/OR/01-2664&D3), DOE will require a 30-day delay to the submittal date of September 21, 2021, extending it to October 21, 2021. Please let me know if you have any questions.

Thank you,

Roger Petrie
