VIA ELECTRONIC MAIL

Mr. Roger B. Petrie
Federal Facility Agreement Manager
Oak Ridge Office for Environmental Management
Department of Energy
Post Office Box 2001
Oak Ridge, Tennessee 37831

Dear Mr. Petrie:

The U.S. Environmental Protection Agency has completed review of the *Addendum to the Remedial Design Report/Remedial Action Work Plan for the Environmental Management Disposal Facility, Oak Ridge, Tennessee: Early Site Preparation Activities - East Spoils Area (DOE/OR/01-2934&D2/A1)* transmitted electronically by the U.S. Department of Energy on October 26, 2023. This document incorporates additional scope required for the development of the East Spoils Area, an approximately 5-acre site located between Haul Road and Bear Creek Road that will be developed to receive spoil material, reusable soil and excess woodchips in support of site preparation activities.

The EPA approves the above referenced document (DOE/OR/01-2934&D2/A1).

If you have any questions or concerns regarding this matter or require additional information, then please contact me at (943) 212-7256, or electronically at sayer.john@epa.gov.

Sincerely,

John W. W. Sayer
Remedial Project Manager
Superfund and Emergency Management Division
