**Subject:** Camden Update 10-1-2018

Dear Camden Citizens –

Below is a summary of items that have occurred at EWS from Saturday 9-22-2018 through Friday 9-28-2018. Very little construction was performed during this time period due to the extensive rains. My previous update covered the period through Friday 9-21-2018. Thank you.

Pat.

- Continued to ship Aluminum Processing Waste Cell leachate off-site for disposal
- Industrial Waste Cell leachate continued to be treated and stored
- Performed routine daily gas system and cover operation and maintenance activities
- Performed daily ammonia monitoring
- Closure Construction Activities Performed:
  - Storm water management
  - Minimization of erosion of exposed earthen surfaces
  - Weekly construction meeting held

Thanks again to everyone who took time out of their busy day to attend the Closure Construction Site Visit on Thursday September 20<sup>th</sup>.
