Solid Waste Planning Region
5 - YR Update

Planning Region: Hamblen 32

Clerk

Note: Send one original copy of the report to the permanent file. If the planning region did not provide two copies of the report, then make a working copy and send the original to the permanent file.

1. Write in the name of the person completing this report March 2001:5
   a “cc” for all letters sent to the chairperson.

2. (may be attached as a separate list):
   Was a list of board members provided? Yes No
   If yes, continue to question four and verify the term of each member is current.
   If no, skip question and go directly to question.

3. Was the term of each member current? Yes No
   Continue to question.

4. See page 14:
   Did the chairperson of the board sign and date the report? Yes No
   Continue to question.

5. See page 14:
   Did the county executive, (each local Government body) sign and date the report? Yes No
   Continue to question.

6. Which reviewer was assigned to this report? Dave Bob
   Continue to question.

7. On what date was the report sent to the reviewer? 2/12/02
   Continue to question.

8. What is the deadline for the review (i.e., 90 working days from received stamp)? 5/27/02
   Attach routing page to the report and give it to the reviewer.

   Note: The letter will be addressed to the chairperson. The cc list will include the County Executive,
   Development District Director, person who prepared the report, and the CTAS contact. Modify (with date,
   names, cc, etc.) and print the letter entitled “5YrUpdtlnmrg.” and give letter to Linda Riggsby for Ron
   Graham’s signature. After letter is signed, Linda copies the letter for the cc list and one for the file.
   Linda then mails the letters and sends a copy of the letter to Patty to be placed in the permanent file.

Reviewer

Date review is complete 11/12/02 Reviewer’s initials WA
Log-in completion date and give working copy of report to Bob. Leave original copy in the permanent file.

RE: Five-Year Update to Solid Waste Plan

Dear Mr. Ford:

The questions addressed in my letter of March 8, 2002 have been answered by Mr. Mitch Loomis of East TN Development District. The Five-Year Update is hereby approved.

If you have questions or need assistance, please contact me at (615) 532-8010.

Sincerely,

Wayne Brashear
Planning, Reporting, and Waste Reduction Section

cc: The Honorable David W. Purkey, Hamblen County Executive

RE: 5-Year Update to Solid Waste Plan

Dear Mr. Ford:

Thank you for the submission of the Hamblen County Municipal SW Planning Region’s Five-Year Update to the Ten-Year Solid Waste Plan. The Plan has been reviewed and while most of the information provided is very complete, some items require additional information or further clarification. The following comments are provided based upon this review:

CHAPTER 1. SUMMARY
Section 1 - The Ten Year Implementation Schedule for Disposal of Solid Waste indicates activity for the next ten years for post-closure care. What site is to receive this post-closure care?

CHAPTER 2. GENERAL INFORMATION ABOUT THE REGION
Section 2 - This section asks for the population of the region and the source of this information and year. The source and year of the source were not stated.

Section 6 - This section asks about the activities of the Solid Waste Board. The only item not addressed was whether the Board meets its responsibilities with regard to permit review.

CHAPTER 4. COLLECTION AND TRANSPORTATION
Section 1 - This section asks about collection services in the Region. For the private hauler serving door to door for commercial customers, please give the name of the hauler, the phone number, and number of trucks serving these customers.

CHAPTER 5. RECYCLING
Section 2 - The section requests information about waste reduction programs in the Region. For the Materials Processing and Composting Facilities, please give the information requested on page 9 of the Guidelines.

FROM: Mitchell Loomis

SUBJECT: Response to Hamblen County 5-year plan

In response to letter dated March 8, 2002.

Chapter 1, Section 1
The Hamblen County region is providing landfill closure care for the following area: The initial phase I of the landfill permit # SNL-32-103-0152.

Chapter 2, Section 2
The source of the population data is the U.S. Census Bureau for Year 2000 census.

Section 6
All permits involving solid waste issues must go before the Solid Waste Board. The board will look at permits in regards to their relation to the 10 year solid waste plan and the effects the issuing of such permits have to the regional plan.

Chapter 4, Section 1
The company name is Tidi-Waste, (423) 581-5655. The company has two roll-off trucks that pick up some commercial, but most industrial customers. The companies are on a weekly or bi-weekly contract for pickup.

Chapter 5, Section 2
Materials Processing Facility
Name: Recycling Incorporated
Owner: Clifford Jinks
Contact: Clifford Jinks
Phone Number: (423) 581-5960
Address: 4999 Cotton Tail Drive, Russellville, TN. 37814
Population Served: 58,128
Types of Material Processed: Corrugated, Newspaper, Glass, Plastic, Aluminum, Steel Cans.
Approximately Volume Processed Annually: 3500 tons
Description of Facility/Process: This privately owned facility allows residents in Hamblen County to take their recyclable materials for processing. The facility owns horizontal balers, bobcat, fork lift, and a conveyor belt system that handles the materials that arrive at the site.

Composting Facility:
Name of Facility: Morristown Composting
Owner of Facility: City of Morristown
Contact: Ralph Fielder
Phone Number: (423) 581-0100
Address: P.O. Box 1499, Morristown, Tn. 37814
Population Served: 24,965
Approximate Volume Compost Annually: 1500 tons
Description of Facility: The facility accepts yard waste only. The facility chips up the material with a chipping machine on site of pickup and haul to the composting site, where the material is placed in windrows and turn with a backhoe for a one year period. At that time the material is transferred to a collection site for the public to use.

RE: Five-year Update to Ten-year Solid Waste Plan
Hamblen Co./Morristown SW Planning Region

Dear Mr. Ford:

Thank you for your submission of the Hamblen Co./Morristown SW Planning Region County Five-year Update to Ten-year Solid Waste Plan. We received your plan on February 25, 2002. Division staff will complete the review within the next 90 days as required by The Solid Waste Act of 1991.

If you need additional information or have further questions, please contact me at 615-532-0095.

Sincerely,

[Signature]

Louis Bordenave

Chapter 7 - Problem Wastes
Chapter 8 - Solid Waste Education
Chapter 9 - Flow Control and Permit Review
Chapter 10 - Five Year Plan Update Review
Hamblen County Regional Solid Waste

5-year Plan Update

Executive Summary

The Hamblen County Region was established as a single county region in 1996 and has continued to operate as a single county region. The region is made up of one county, Hamblen and one city, Morristown. The region encompasses 161.0 square miles with a population of 58,128. The region has urban characteristics by East Tennessee Standards with an urban population of 42%.

The Hamblen County Region is represented by a nine member solid waste board. The board was established under the guidelines of the Solid Waste Management Act of 1991. The Board meets once a month to discuss solid waste issues and set solid waste policies.

It should be noted that the many of the activities established in the original ten year plan have been implemented within the first five years. The next five years will see a lot of the same activities going on with some fine tuning taking place.

In the Year 2000, the region of Hamblen County generated 173,395 tons of refuse of which 56% or 97,059 tons were disposed of in a Class I landfill, 16% or 28,279 tons of waste was diverted to a Class II landfill, 5% or 9,491 tons of waste was diverted to a Class IV landfill, 18% or 30,837 tons of waste was recycled through a variety of industrial, commercial, county and city activities and 1% or 2,400 tons of waste was diverted through mulching practices; 4% or 6,329 tons of waste was considered un-managed. Some of the recycling activities included the county and city providing door to door collection of paper, glass, cardboard, plastic and metals. The recyclable materials our transported to a private recycling center for processing. The county also provides a drop off site
for recyclable materials at the landfill. Residents in both the County and City have the opportunity to have their brush and leaves either collected or hauled to a designated site. The City of Morristown collects the leaves and brush and processes them into a mulching material that is used by the government and its citizens. The County burns their brush at the landfill. No changes within the next five years is planned for the County and City. Tire collection is done at the landfill with the placement of the tires into trailers that are hauled when full to an end user by way of a private hauler. Unless the State discontinues the State Tire grant, the region will continue the same method of tire handling for the next ten years.

The Hamblen County region collects refuse from their citizens in two distinct ways. The City of Morristown and the County of Hamblen provide door to door collection for over 90% of their residents and the waste is taken to the landfill in Hamblen County. The County of Hamblen also provides a convenience center for residents to use at the landfill. Both of these activities will be continued for the next ten years. The Hamblen County region has at least 12 years life expectancy at their current landfill site.

The Hamblen County Region will continue to operate at least one Household Hazardous Waste (HHW) event per year over the next 10 years.

The Hamblen County Region relies upon the Morristown/Hamblen Keep America Beautiful organization to handle the education of solid waste to the general public.

Currently, the Region of Hamblen County makes no attempts to provide flow control and has no intentions to attempt flow control within the next 10 years.

The regional implementation schedule and flow chart are shown in the appendix. The regional 10 year solid waste budget total is shown in the following chart on the next page.

6. Regional Solid Waste Board Activities

   The Hamblen County Solid Waste Board meets once a month. All regional solid waste
   issues must go before the solid waste board before action can be taken by the City
   and/or County Commission. All meetings are open to the public and meeting times are
   published in the paper at least one week before the meeting. Annual Reports and Solid
   Waste Plans are submitted on or before the described due dates each year.

7. Region’s rationale for formation

   The Hamblen County Region is a single county region. The initial rationale for forming
   a single-county region was due to the fact that Hamblen County had a permitted Class
   I landfill. The region is still a single county region that will remained due to little
   regional interest from surrounding counties.
8. Door to Door Collection

<table>
<thead>
<tr>
<th>City / County</th>
<th>Door to Door Collection</th>

<td>Yes</td>
<td>33,163</td>
</tr>
<tr>
<td>Morristown</td>
<td>Yes</td>
<td>24,965</td>
</tr>
</tbody>
</table>

9. Regional characteristics

Hamblen County is a rural East Tennessee county approximately 161.0 square mile in size. The Hamblen Region is urban in nature with 42% of the residents living in the Morristown the only city within the region. The County has went from an agriculture to large industrial base within the last ten years.

10. Solid Waste Fee

There is a $30 tipping fee for all Class I waste and a $30 tipping feel charge for all Class IV waste.

11. Cost and Revenues for solid waste programs within the region

Morristown - See enclosed budget

- Revenues - $0
- Costs - $2,252,437
- Staffing Requirements - 11 full time
- Capital Cost Considerations - None to Report
- Current System satisfactory - yes
- Revenues meeting costs - yes, with subsidy from general fund.
- New expenses or new fees anticipated - None

Hamblen County - see enclosed budget

- Revenues - $0
- Costs - $1,553,792
- Staffing Requirements - 12 full time
- Capital Costs Considerations - None to Report
- Current System satisfactory - yes
- Revenues meeting costs - yes, with subsidy from general fund.
- New expenses or new fees anticipated - None
Morristown/Hamblen Landfill - See Budget

Revenues - $3,349,000
Cost - $3,349,000
Staffing Requirements - 17 full time
Capital Cost Considerations - none to report
Current System Satisfactory - yes
Revenues Meeting Cost - yes
New fees or new expenses anticipated - no

12. Uniform financial accounting methods

Hamblen County - yes; Morristown - yes

13. 10 year solid waste budget

See appendix.

1. David Purkey - County Executive - Hamblen County - (423) 586-1931
2. James Crumley - City of Morristown - (423) 581-0100
3. Ronald Brady - Landfill Manager - Morristown/Hamblen Landfill - (423) 581-8784
Chapter 3:

   
   97,059

2. Percentage of Class I waste in following categories:
   
   Residential - 60%; Commercial - 20%; Industrial -19%; Institutional - 1%; Other - 0%.

3. Percentage of Class I waste in following categories:
   
   - Yard Waste - 1%; Construction/Demolition Waste - 5%; Tires - 1%; Recyclables - 18%; Municipal Solid Waste -56%, Other - 19%

4. Total Generated Waste Stream
   
   Recycling - 30,837
   Diversion - 40,170
   Class I Landfill waste - 97,059
   Un-managed Waste - 6,329
   Total = 175,395 tons

   Recycling - this includes the County, Cities and amounts of various items from industries - see recycling reports.
   Diversion - Class IV and Class II landfill is available in the area and mulching of brush and leaves is done by the City of Morristown.
   Un-managed Waste - represents the brush that is burned by the County at the landfill.

5. Demographic Trends

   Hamblen County has seen a 15% increase in population over the last ten years that will have some small changes in disposal figures. The location of a particular industry that requires a lot of solid waste disposal into Hamblen County. At present time no such industry is being forecasted.
6. Economic Conditions

Major Employers - See Appendix.
Unemployment Rate - 5.4 for September, 2001; Slightly higher then State and National figures of 4.7.
A major plant closing would be the greatest affect towards waste stream and waste reduction efforts.

7. Major Contributors to the Region’s Waste Disposal

1. Hamblen County
   Hamblen County Courthouse; 511 west 2nd North Street
   Morristown, TN. 37814-3964
   (423) 586-1931
   Mixed Residential and Commercial
   21% of Waste Stream

2. City of Morristown

   P.O. Box 603,
   Morristown, TN. 37815
   (423) 586-5722
   Chicken produce waste
   1% of Waste stream

(16)
8. Litter Grant Program

The Litter grant program is run by the Hamblen County Government. The program is divided into two parts; one for cleanup and the other for education. The litter crew randomly chooses roads monthly for pickup by inmate crews with most of the roads in the rural areas. In addition to the random selection of roads, complaints called in by citizens are taken care of first. The City of Morristown generally cleans-up within their jurisdictional boundaries, but the county will help upon request. The education monies from the litter grant program are utilized by the Hamblen County KAB program. The contact for the litter grant program is Sharee Long (423) 586-1931.

9. Economic Growth Adjustment Formula

No, we need to simply go year to year.

10. 1995 base year.

Changing of base year had very little effect.

11. Reduction and/or Diversion Programs

1. Hamblen County

Diversion Program - yes, the Region operates a Class IV landfill that diverted 9,491 tons of waste from the Class I landfill in year 2000. Also, the region has a private Class II landfill that diverted 28,279 tons.

Recycling Program - yes; the county contracts out the collection of recyclable door to door and the transportation of the material. See appendix for recycling report. A total of 686 tons of recyclable materials where collected year 2000. 10 year plan is to continue the same format, but to diversify the materials that will be collected.

Yard Waste Program - yes, the county allows residents to take brush and leaves to the landfill where they are burned. A total of 1200 tons of yard waste was generated in year 2000. No significant changes are proposed within the next 10 years.

Education Program - yes; the County utilizes the Morristown/Hamblen KAB program for educating the public. The County handles the handles the HHW site events and educate the public on those matters.
2. Morristown

Diversion Programs - yes, see Hamblen County

Recycling Programs - yes, the City contracts out the collection of recyclable materials door to door and the transportation of the those materials to a processing center. The city generated 608 tons of recyclable materials in year 2000.

Yard Waste Program - yes, the City has a chipper that mulches brush. A total of 1,500 tons of mulch was created in year 2000.

Education Program - Yes; see county.

Chapter 4:

1. List collection services.

<table>
<thead>
<tr>
<th>Service</th>
<th>Available to</th>
<th>Paid for by</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Convenience Center</td>
<td>County Residents</td>
<td>Hamblen County</td>
<td>One Convenience Center that is manned at the landfill.</td>
</tr>
<tr>
<td>Door to Door</td>
<td>Residential Customers</td>
<td>City of Morristown and County of Hamblen</td>
<td>Provided for city and county residents.</td>
</tr>
<tr>
<td>Door to Door</td>
<td>Commercial and Industrial Customers</td>
<td>Customers</td>
<td>Door to Door pickup by private firm for paid customers.</td>
</tr>
</tbody>
</table>

2. Collection Assurance Requirements

The Hamblen County region meets the collection assurance requirements by having one (1) convenience center operated by the County and a higher level of service by providing for over 90% of the residents door to door collection of solid waste.
3. Collection Needs over the next 10 years.

None

Chapter 5:

1. Does the region have a recycling or waste reduction coordinator?

Yes

Debbie Stevens
Morristown/Hamblen KAB
814 W. Main Street
Morristown, TN. 37814
(423) 586-6422

2. List waste reduction programs in the region:

   Recycling Programs - See Attachments.

   Materials Processing Facilities - Yes, privately owned.

   Composting Facilities - yes; City of Morristown

3. Progress or setbacks in recycling and reduction efforts.

   Rising Cost of contracting out the service of door to door collection nearly eliminated the recycling program. Bad market prices has put a financial constraint on the private companies that pass the cost to their clients.
4. Recycling Drop Off Facility

<table>
<thead>
<tr>
<th>Site Name</th>
<th>County</th>
<th>Items Collected</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Landfill</td>
<td>Hamblen</td>
<td>Used Oil</td>
<td>Public drop off site.</td>

Address/Location/County: P.O. Box 2000, Hwy 160, Lowland, Tn. 37778-2000
Classification: I & II
Jurisdictions Served: Regional.
Permit #: SNL32-0274 & IDL32103-0007 ext.
Tipping Fee per Ton: Varies
Special Tipping Fees: N/A
Material Receive/limit: Class I and Class II waste only.
Does the facility produce energy: N/A
2. Class I waste exported or imported into the Region.

CLASS I WASTE EXPORTED

No

CLASS I WASTE IMPORTED

No for public Landfill; However, the Private landfills take outside waste.

3. Disposal Needs

None

4. Planned Capacity Assurance

Hamblen County Region has at least 12 more years at their current landfill site.

5. Enterprise Funds for Landfills

Yes

Chapter 7:

1. Has the county taken advantage of the State’s household hazardous waste mobile collection services in the last two years?

   Yes, the county sets up a HHW once a year.

2. Does a jurisdiction within the Region operate a permanent household hazardous waste collection center?

   No

3. Region’s level of success with household hazardous waste collection and level of satisfaction with the State program.

   The region has had small turnouts on the events. The region has been very pleased with the way the program is handled. The region will try to do more education before the next event to increase the number of participants.
4. Waste Tire Collection

The region allows people to take tires to the landfill where they are placed into trailers and shipped to an end user.

Current site location is at 3849 Sublet Road, Morristown, TN. 37814

5. Region’s level of satisfaction with waste tire collection efforts in the area and the State waste tire program.

The region is pleased with the waste tire collection efforts in the area and the State waste tire program. However, the county would like to make the manifest forms easier and less frequent.

6. Problem with waste tire dumping in the Region?

No

7. Region’s efforts with oil, auto fluid and lead acid battery sites.

Used oil collection sites are scattered throughout the region. The county provides a used oil collection site at the convenience center. Also, used oil sites are made available by private companies throughout the region. Auto fluid collection sites are handled by private dealers in the region and lead acid batteries sites are provided by the retailer that sell new batteries.

Chapter 8:

1. Educational Organizations:

Name: Morristown /Hamblen County Solid Waste Organization/Sponsor: Morristown /Hamblen County County: Hamblen Phone Number: (423) 586-1931 Address: Hamblen County Courthouse, 511 West 2nd North Street, Morristown, TN. Target Participants: HHW customers. Description of Activities: Public announcements.
Name: Morristown/Hamblen KAB  
Organization/Sponsor: Morristown/Hamblen County  
County: Hamblen  
Phone Number: (423) 586-6422  
Address: 814 West Main Street, Morristown, Tn.  
Target Participants: Youth and adult organizations  
Description of Activities: Public announcements, have programs in schools and attend organization meetings.

2. Needs in Solid Waste Education

The region of Hamblen County has done an adequate job in educating the public.

Chapter 9:

1. Does the Region or jurisdictions within make any attempt to control the flow of waste?

   No

2. Does the Region foresee any outstanding issues with regard to permit review or flow control?

   No

Chapter 10:

1. Describe the required public hearing held after the Revised Plan was completed.

2. Were local planning commissions in the region made aware of the Five-year Update and given and opportunity to review it?

   Yes, See documentation.

3. Resolution

   See Appendix
Appendix

HAMBLEN COUNTY INDUSTRIAL PARKS

East Tennessee Progress Center - A new industrial park currently being developed by the City of Morristown. The park contains 900+ acres of land and all property within the park is currently available except property reserved for buffer zones. Interstate 81 is within 1 mile of the site. Rail service will be provided by Norfolk Southern. The Morristown Airport is located approximately 5 miles to the west. Road access is provided to U.S. Highway 25E via a local (industrial access) road. Utilities planned are W=12", S=8", G=6".

Morristown Airport Industrial District - This industrial district is in the City of Morristown. The park consists of 670 acres with 165 acres available for development. The largest available tract is 78 acres in size. A 52,500 s.f. spec building is located in the park and is available for lease or sale. Norfolk Southern Railway provides rail service. The Morristown Airport is adjacent to the site, Interstate 81 is four miles to the south, and the Morristown CBD is six miles to the east. Road access is provided by U.S. 11E. The park is zoned industrial. W=12"; S=8"; G=4".

L:WP60\MAIN\GRANT\APP\CDBG\PUBLIC.HRG
DATE: December 12, 2001

TO: David Purkey, County Executive

FROM: Mitchell Loomis

SUBJECT: Hamblen County solid waste 5 year plan update

In accordance with the Solid Waste Management Act of 1991, each solid waste region must do 5 year updates to their regional solid waste plan. Enclosed is the executive summary of the 5 year plan. It is not necessary for the planning board to act on anything, but wanted to make you aware of the 5 year plan and let you know that their will be a public hearing on the plan on December 21 at 9:00 at the County Health Building. This meeting can be held before or after your regular meeting. I have already talked to Ronnie Brady. Enclosed is the executive summary of the report and Ronnie suggested that I hand out the summary at the meeting to the rest of the board members. I have sent one to Stancil and James Crumley. There will be a resolution that I will have prepared that needs to be passed at the meeting.

If you have any questions, please feel free to call me at 584-8553.

With kindest wishes and best regards.

There will be a resolution that I will have prepared that needs to be passed at the meeting.

If you have any questions, please feel free to call me at 584-8553.

With kindest wishes and best regards.
DATE: December 12, 2001

TO: Planning Department

FROM: Mitchell Loomis

SUBJECT: Hamblen County solid waste 5 year plan update

In accordance with the Solid Waste Management Act of 1991, each solid waste region must do 5 year updates to their regional solid waste plan. Enclosed is the executive summary of the 5 year plan. It is not necessary for the planning board to act on anything, but wanted to make you aware of the 5 year plan and let you know that their will be a public hearing on the plan on December 21 at 9:00 at the County Health Building.

If you have any questions, please feel free to call me at 584-8553.

With kindest wishes and best regards.
A Resolution Approving the Five Year Plan Update to the Hamblen County Municipal Solid Waste Management Plan

Whereas, the County of Hamblen, Tennessee is the only county within Hamblen County Regional Solid Waste Management Plan, and;

Whereas, the State mandates that every five years an update must be submitted for approval, and;

Whereas, the five year update has been prepared and approved by the Hamblen County Solid Waste Planning Board, and;

NOW, THEREFORE, BE IT RESOLVED that the County Commission of Hamblen County does hereby approve the five year plan update, as submitted to the State of Tennessee’s Community Assistance Office, Solid Waste Division.

READ, ADOPTED AND APPROVED in regular session by the Hamblen County Commission on January 24, 2002:

APPROPRIATE SIGNATURES

RE: Five-Year Update to Ten-Year Solid Waste Plan

Dear Mr. Ford:

The Department of Environment and Conservation has not received the Solid Waste Planning Region Five-Year Update Report for the Hamblen County Solid Waste Planning Region. The Solid Waste Management Act of 1991 [T.C.A. 68-211-814 (2)] requires that these reports be revised every five years after the plan’s initial approval. The Hamblen County report was due to the Division of Community Assistance on September 27, 2001.

The Region must submit the required report within 90 days of receipt of this letter. Otherwise, the region and jurisdiction(s) within the region may lose eligibility for grants from the Solid Waste Management Fund. If non-compliance continues, additional sanctions may follow [T.C.A. 68-211-816].

I am certain that the Hamblen County Solid Waste Planning Region will give these issues the serious consideration that is warranted. If you need additional information, please contact Louis Bordenave with the Division of Community Assistance, at 615-532-0095.

Sincerely,

Milton H. Hamilton, Jr.

RE: Five-year Update to Ten-year Solid Waste Plan
   Hamblen County SW Region
   Region Member: Hamblen
   Update Due — September 27, 2001

Dear Mr. Ford:

As you are aware, the Solid Waste Management Act of 1991 requires the Solid Waste Regions to plan, monitor, and report on solid waste activities. One of the requirements of this legislation was for each region to prepare a Ten-year Solid Waste Management Plan. The legislation also requires that Five-year updates to those plans be prepared and submitted to the state for review. The Hamblen County Region’s Ten-year plan was approved on September 27, 1996; therefore, your Five-year Update is due to this office by September 27, 2001. Please note that the Update is expected to consider the next Ten-year planning horizon, and will become your current Ten-year Plan upon approval by this office.

Also required by the Solid Waste Act is submittal of a Needs Assessment report for all of the counties within each Development District. The initial Assessment was due by September 30, 1992; with revisions due by April 1, 1999 and every five years after that. The SW Needs Assessment for the counties and municipalities within your region was received on April 16, 1999. Please contact Mr. Mitch Loomis with the East TN Development District to determine the status of your Region’s Needs Assessment report. The Needs Assessment will provide much of the information necessary for the preparation of the Five-year Update to your Ten-year Plan.

The Five-year update to your Ten-year Solid Waste Management Plan is an important tool for your Region. If you have any questions, please do not hesitate to contact me at 615-532-0744.

Sincerely,

Becky Gorham
