 Hazardous Waste Transporters

A list of facilities permitted to transport hazardous waste in Tennessee until January 31, 2027 For further information contact: Waste.Activity@tn.gov

Disclaimer: The information provided in this hazardous waste transporter list is for informational purposes only and is based on the information received by the Division of Solid Waste Management (DSWM). The list is updated monthly based on information submitted to the DSWM, and it is not intended to be all-inclusive and is subject to change. This list is not a substitute for the evaluation of compliance in accordance with all applicable laws and regulations. These documents are not intended for, nor can they be relied upon, to create any rights, substantive or procedural, enforceable, or usable by any party in litigation with the State of Tennessee or its employees. The State of Tennessee and its employees expressly disclaim any liability or responsibility for any loss or damage resulting from their use or for the violation of any law or regulation with which these notes may conflict.
