

PUBLIC NOTICE

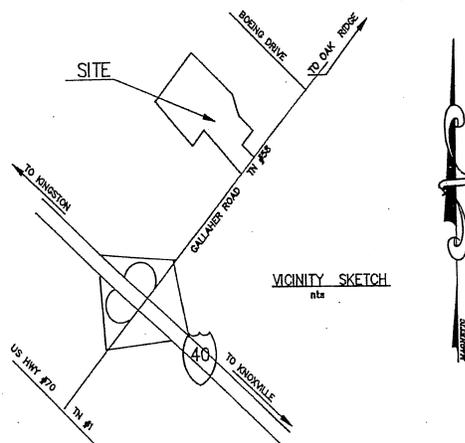

For
Diversified Scientific Services, Inc.
657 Gallaher Road
Roane County, Kingston, Tennessee 37763

Diversified Scientific Services, Inc (DSSI), a Perma-Fix Environmental Services company, will conduct a pre-application meeting, as required by the Tennessee Department of Environment and Conservation (TDEC), for renewal of the facility RCRA Part B Hazardous Waste Permit TNHW-150. DSSI facility operations are authorized by the TDEC Division of Solid Waste Management for receipt, storage and treatment of hazardous and mixed wastes. This public meeting will be held to review and discuss the facility regulated units prior to the submission of the permit re-application and to answer any questions related to the facility operations.

**The Public Meeting will be held at:
Kingston Community Center, 201 Patton Ferry Road Kingston, Tennessee
on November 19, 2020, at 6:30 PM**

Please contact Mr. Richard Devin at (865) 376-8706 at least 72 hours prior to the meeting for additional information or special access needs to participate in the meeting. To obtain additional regulatory information regarding this notice, please contact Ms. Dilraj Mokha, TDEC Division of Solid Waste Management - TSD Permitting, at (615) 532-0821.

Notice Date: October 16, 2020
