

**NOTICE OF PUBLIC HEARING ON THE REQUEST TO MODIFY A CORRECTIVE
ACTION PERMIT GALAPAGOS INDUSTRIAL PARK (FORMERLY VELSICOL
CHEMICAL LLC)**

Galapagos Industrial Park is requesting a modification to the hazardous waste management corrective action permit, TNHW-105. Galapagos Industrial Park (EPA ID TND061314803) is located at 4902 Central Avenue, Chattanooga, Tennessee 37410. The Class 3 Modification will modify groundwater monitoring requirements, reduce free product recovery events, and end groundwater hydraulic capture.

A public meeting is scheduled for 6:00 pm to 8:00 pm, on May 13, 2021, and will be held at the South Chattanooga Park Pavilion, 1151 West 40th Street, Chattanooga, TN. This meeting will be hosted by representatives from Galapagos Industrial Park. The purpose of this meeting is to inform the community of the proposed changes and to facilitate meaningful input. Please note that only comments associated with the Corrective Action Permit will be addressed. If you require special access to participate in this meeting, please call 423-605-5569 at least 72 hours in advance.

Copies of the proposed modifications are available for public inspection by appointment only due to COVID restrictions at the South Chattanooga Branch Library, 925 West 39th Street, Chattanooga, TN 37410 (423-825-7237).

Any interested person may submit written comments on the proposed modification by contacting: Maureen Handler, Sr. Environmental Specialist, 900 Old Sewanee Road, Sewanee, TN 37375 (423-605-5569) or email to southernenvironmentaltech@gmail.com. The comments, under Rule 0400-12-01-.07(7)(f), **must be received by 4:30 pm, Friday, July 2, 2021,** to assure consideration.
