

NOTICE OF MODIFICATION TO HAZARDOUS WASTE CORRECTIVE ACTION PERMIT

Gardner Denver, Inc. is providing notice of the approved Class 2 permit modification to the existing Hazardous Waste Corrective Action Permit TNHW-167. The facility TND006379200 is located in Washington County at 2003 South Roan Street, Johnson City, Tennessee, 37601.

The Class 2 modification was submitted on March 20, 2023, with a response to a notification of deficiency being received on May 12, 2023, to the Tennessee Department of Environment and Conservation, Division of Solid Waste Management in accordance with Tennessee Rule 0400-12-01-.07(9)(c)(5)(ii) to allow Gardner Denver to continue to perform post-closure care for the closed hazardous waste landfill at the former Thomas Industries site by adding an additional groundwater capture location to the on-site treatment system. The modification also updated the site history from recent investigations since the most recent permit renewal (updated soil boring logs, maps, and engineering drawings), add additional sampling points, and update contact information. The permit modification was approved by TDEC on November 17, 2023.

Further information on this matter may be obtained by contacting Mr. Joshua Bolling, Strata Environmental Services, Inc, 110 Perimeter Park Road, Ste. E, Knoxville, TN 37922, (865-539-2077) or by email at jbolling@strataenv.com.

Copies of the modification requests and supporting documents may be reviewed at TDEC, Johnson City Environmental Field Office, 2305 Silverdale Road, Johnson City, Tennessee 37601, Phone (423) 854-5400. The permittees' compliance history during the life of the permit being modified is available from Beverly Philpot, Hazardous Waste Program Manager in DSWM's Central Office at the WRS Tennessee Tower, 312 Rosa L. Parks Avenue, 14th Floor, Nashville, TN 37243, by phone at (615) 795-1188, or by email at Beverly.Philpot@tn.gov.
