## **PRE-APPLICATION MEETING**

### **STATIC DETONATION CHAMBER (SDC) PROJECT**

#### **HOLSTON ARMY AMMUNITION PLANT, KINGSPORT, TENNESSEE**

#### **PURPOSE OF MEETING**

Holston Army Ammunition Plant (HSAAP) is applying for a new Hazardous Waste Permit under the authority of the Tennessee Department of Environment and Conservation (TDEC). The permit is for the proposed construction and operation of two Static Detonation Chamber (SDC) units, and an associated material handling building, to provide an alternative thermal treatment technology for the treatment of explosive waste at the HSAAP. The public meeting will be held to discuss the proposed thermal treatment system and to discuss plans for compliance with the Resource Conservation and Recovery Act (RCRA) regulations for the hazardous waste treatment units. The purpose for this pre-application meeting is to solicit questions from the community and inform the community of the proposed permit activity.

#### **DATE, TIME, LOCATION OF MEETING**

The pre-application meeting will be held on July 27 from 5:30 - 7 p.m. at the Holston Business Development Center at 2005 Venture Park Drive, Kingsport, Tennessee.

#### **BRIEF DESCRIPTION OF FACILITY AND PROPOSED OPERATIONS**

HSAAP is a government-owned, contractor-operated facility used for the manufacturing of explosive compounds and formulations. The proposed thermal treatment system using static detonation chambers will process a portion of the waste currently treated onsite via open burning at the permitted Burn Pan Unit. HSAAP is located in Hawkins and Sullivan Counties at 4509 West Stone Drive, Kingsport, Tennessee.

#### **SPECIAL INFORMATION**

CDC guidelines or federal mandates regarding Covid-19 at the time of the meeting will be followed. An electronic or hard copy of the information presented at the meeting can be requested through the special access statement below if there is a concern with participating in person.

#### **SPECIAL ACCESS STATEMENT & CONTACT INFORMATION**
