

PUBLIC NOTICE FOR MODIFICATION OF UNIVAR USA INC.'S ORDER

The Tennessee Department of Environment and Conservation (TDEC) Division of Solid Waste Management (DSWM) is providing public notice that a Class ¹ permit modification has been approved for the Univar USA Inc. site (EPA ID TND000822973) located in Sullivan County at 302 Riverport Lane, Kingsport, TN 37660. The purpose of the modification is to identify and record in the order that: 1) Univar's Kingsport facility property has been sold to J.T. Hannah Properties, LLC; 2) the Remediation and Access Agreement between the two parties has been signed and recorded; 3) changes to some of the site security and land use controls are approved, which are being replaced by the completed and recorded Notice of Land Use Restrictions; and 4) the facility name was changed to Univar Solutions USA Inc. Although the property has been sold, Univar Solutions USA Inc. will retain all obligations with regard to the Order. For additional information regarding this modification, please contact Mr. Clayton Bullington, Tennessee Department of Environment and Conservation, Division of Solid Waste Management, TN Tower, 312 Rosa L. Parks Avenue, 14th Floor, Nashville, TN 37243, (615)-532-0859, or email clayton.bullington@tn.gov.
