Subject: Notice of Permit Renewal to Hazardous Waste Post-Closure Permit

AGC, for its Former AGC Greenland Plant (AGC), is providing notice of a pre-application public meeting for the renewal of its Tennessee Department of Environment and Conservation, Division of Solid Waste Management post-closure permit, number TNHW-169, in accordance with Tennessee Rule 0400-12-01-.07(1)(m). The facility (EPA ID TND037909348) is located in Hawkins County at 600 Cardinal Way Road, Church Hill, TN 37642.

The application for the hazardous waste permit renewal is for the continued management, remediation of groundwater, and monitoring of the closed hazardous waste management unit. This notice serves as the required 30-day public notification in advance of a public meeting.

In accordance with Tennessee Rule 0400-12-01-.07(1)(m), AGC will conduct a public meeting regarding the permit renewal. The public meeting will be held on March 16th at Volunteer High School in Church Hill, Tennessee, at 6:00 PM, located at 1050 Volunteer St, Church Hill, TN 37642. Any person with accessibility needs who wishes to participate should contact Chris Correnti using the contact information below at least 72 hours before the meeting begins.

Further information on this matter may be obtained by contacting Chris Correnti at (404) 446-4208 or by email at Chris.Correnti@agc.com.
