Resource Conservation and Recovery Act (RCRA) Permit Renewal

TND061314803, TNHW-161

Galapagos Industrial Park LLC (Formerly Velsicol Chemical LLC)

4902 Central Avenue, Chattanooga TN 37410

Representatives from the Galapagos Industrial Park LLC (Formerly Velsicol Chemical LLC) will host a public meeting to discuss plans to renew RCRA permit TNHW-161 with the State of Tennessee.

Velsicol Chemical LLC historically manufactured various chemical compounds at their facility at 4902 Central Avenue, Chattanooga TN 37410. Manufacturing operations ceased in 2007. Remediation operations began in 1999. Contamination removal and site cap installation completed in 2016. The property was purchased by Galapagos Industrial Park LLC in June 2022 with the intent of creating a rental warehousing industrial park. The existing RCRA Permit TNHW-161 was modified in accordance with TDEC regulations in April 2023. Remediation activities and site monitoring have been ongoing in accordance with the RCRA Permit since the purchase of the property by Galapagos Industrial Park LLC.

The meeting is to solicit input from the community and inform the community of the proposed activities involved with renewing permit TNHW-161.

The pre-application public meeting is scheduled for May 21, 2025, at 6:00 pm, at the Southside Community Center located at 1151 W. 40<sup>th</sup> St., Chattanooga, TN 37409. For those needing special access to participate in the meeting, please contact Candice Hudson (423) 643-6454 at least 72 hours prior to the meeting.
