525 Harbour Place Dr, Davidson, NC, 28036
EPA I.D. Number: TND00-637-9200

Subject: Class 2 Permit Modification

On April 5, 2025 Industrial Technologies and Services, LLC. plans to submit to the Tennessee Department of Environment and Conservation, Division of Solid Waste Management (DSWM) a request for a Class 2 permit modification in accordance with Rule 0400-12-01-.07(9)(c)5(ii) to modify Hazardous Waste Management Permit TNHW-167 to change the Permittee from Gardner Denver, Inc. to Industrial Technologies and Services, LLC. In 2023 Gardner Denver, Inc. changed their legal name to Industrial Technologies and Services, LLC, and this will be reflected in the current operating post-closure permit of the former Thomas Industries Inc. Site located at 2003 South Roan Street, Johnson City, Tennessee.

The Thomas Industries, Inc. Site is authorized by Hazardous Waste Management Permit TNHW-167 to continue post-closure care, maintenance, and monitoring of a closed hazardous waste disposal unit at 2003 South Roan Street, Johnson City, Tennessee. This includes remediation efforts to remedy a groundwater contaminant plume by utilizing “pump-and-treat” technology in conjunction with an air stripper. Treated groundwater is transferred to the Johnson City sanitary sewer. Thomas Industries, Inc. was purchased by Gardner Denver, Inc., which subsequently changed their name to Industrial Technologies and Services, LLC. This modification will update the name of the Permittee.

Questions regarding the processing of the permit modifications can be addressed to Mr. Brett Harris, Tennessee Department of Environment and Conservation, Division of Solid Waste Management, Davy Crockett Tower, 7th Floor, 500 James Robertson Parkway, Nashville, TN 37243. Brett Harris may be reached via telephone at 615-393-9221 or via electronic mail at Brett.Harris@tn.gov.

As in accordance with Rule 0400-12-01-.07(9)(c)5(ii) the public comment period shall run from April 5, 2025 – June 4, 2025, Industrial Technologies and Services, LLC will conduct a public meeting to provide information regarding the Permittee name change from Gardner Denver, Inc. to Industrial Technologies and Services, LLC.. The meeting will be held on Tuesday May 6, 2025, at 6:30 p.m. at the Johnson City Public Library, Jones Meeting Room, 100 Millard Street,

Johnson City, Tennessee. The venue is handicap accessible. Anyone requiring additional special access should contact Joshua Bolling with Strata Environmental Services, Inc. at 865-539-2077 at least 72 hours prior to the meeting.

If you have questions concerning the Class 2 Modification and public meeting, you may contact Joshua Bolling with Strata Environmental Services, Inc. at 865-539-2077, via electronic mail at jbolling@strataenv.com or by USPS mail at Strata Environmental Services, Inc. 110 Perimeter Park Road, Suite E. Knoxville, Tennessee, 37922.
