

Public Notice
Notification of Class ¹ Modification
Hazardous Waste Management
Permit(s) TNHW-192
Naval Support Activity Mid-South
Millington Tennessee

Naval Support Activity Mid-South (NSA Mid-South) located at 5722 Integrity Drive, Millington, Tennessee 38054, submitted a Class ¹ modification to the Division of Solid Waste Management, Hazardous Waste Management Program, Hazardous Waste Permitting section located at the Davy Crockett Tower, 7th Floor, 500 James Robertson Parkway, Nashville, TN 37243 on July 1, 2024, with a subsequent revision on October 2, 2024. As per Tennessee Hazardous Waste Management Rule 0400-12-01-.07(9)(c)5(i)(II) a Class ¹ modification may only be made with prior written approval. The Class ¹ modification to Permit Number TNHW-192 for NSA Mid-South, located on 5722 Integrity Drive, Millington, Shelby County, Tennessee 38054 was approved on June 2, 2025, NSA Mid-South is a former U.S. Navy Base that was mainly used for aircraft training and maintenance operations. In 1995, the Base Realignment and Closure Act (BRAC) directed the realignment of NSA Mid-South operations to other bases/entities. The post-realignment Navy activities at NSA Mid-South are administrative in nature. The modification updates the following information:

- Attachment 1, Facility Description has been updated to reflect the RCRA Permit reissuance on September 27, 2023, and include the changes of former Navy assets as property transfers to show the current Navy-owned property and the portions the Millington Industrial Development Board and the Millington-Memphis Airport own. Table 1-1 Navy SWMUs on Non-Navy Property has been added to this Attachment.
- Figures 1-2 Facility Layout, 1-3A Topographic Map Southside, 1-3B Topographic Map Northside, and Figure 1-4 Parcel Boundaries have been updated to reflect the change in property boundaries and reflect the current boundaries and respective owners.
- Attachment 1A Legal Descriptions of Solid Waste Management Units and Area of Concern A on the Millington Industrial Board and the Millington-Memphis Airport Parcels.
- Section IV Compliance Schedule has been removed.
- The Table of Contents has been updated to add Attachment 1A and Table 1-1 and to remove Section IV Compliance Schedule.

Further information on this matter may be obtained by contacting the Naval Facilities Engineering Systems Command (NAVFAC) BRAC Program Management Office Environmental Coordinator, Ms. Jamie C. Butler, at jamie.c.butler.civ@us.navy.mil.

The contact for the Division of Solid Waste Management (DSWM) is Mr. Brett Harris, Hazardous Waste Permitting/Corrective Action Section Manager, located at DSWM's Central Office at the Davy Crockett Tower, 7th Floor, 500 James Robertson Parkway, Nashville, TN 37243, phone (615-393-9221), fax 615-532-0938 or email Brett.Harris@tn.gov. When submitting comments, please note the permit number on which you are commenting. The permittee's compliance history during the life of the permit being modified is available from the DSWM contact person.

Date Issued: July 2, 2025
