

PUBLIC NOTICE

Resource Conservation and Recovery Act (RCRA) Permit Renewal
TND987777695, TNHW-166
Safety-Kleen Systems, Inc.
6617 Pleasant Ridge Road, Knoxville, TN 37921

Representatives from Safety-Kleen Systems, Inc. (SK) will host a meeting to discuss plans to renew RCRA permit TNHW-166 with the state of Tennessee.

This facility is seeking to renew the permit allowing the bulking and storage of spent petroleum naphtha parts washer solvent in a 20,000-gallon above-ground tank and the storage of spent solvents, paint waste and dry cleaning waste in containers.

The meeting is to solicit input from the community and inform the community of proposed activities involved with renewing permit TNHW-166.

The pre-application meeting is scheduled for March 10, 2026 at 5:00PM, at the Facility located at 6617 Pleasant Ridge Road, Knoxville, TN 37921. For those needing special access to participate in the meeting, please contact the facility Environmental Compliance Manager, Todd Blake at 336-644-0332, at least 72 hours prior to the meeting. The SK point of contact is Todd Blake, 6617 Pleasant Ridge Road, Knoxville, TN 37921 and his phone number is 336-644-0332.

Date Issued: February 9, 2026
