

## **NOTICE OF APPROVED UNIT CLOSURES AND INTENT TO TERMINATE PERMIT AT EAST TENNESSEE TECHNOLOGY PARK**

The Tennessee Department of Environment and Conservation's (TDEC) Division of Solid Waste Management (DSWM) is proposing to terminate hazardous waste management storage and treatment permit TNHW-165. The permit was issued to U. S. Department of Energy and URS | CH2M Oak Ridge, LLC on September 15, 2015, for their facility at East Tennessee Technology Park (ETTP). The facility, EPA ID Number TN0890090004, is located at Highway 58, Blair Road, Oak Ridge, TN 37831.

All permitted operations authorized under TNHW-165 have ceased, all wastes have been removed, and all units covered by the permit are clean closed. The last three remaining operating units, K-1065-F, -G, and -H, were issued a Certification for Closure/Verification approval by the DSWM on June 16, 2020.

The DSWM has made a preliminary determination to terminate TNHW-165 under the authority of the Tennessee Hazardous Waste Management Act of 1977, as amended, Tennessee Code Annotated, Section 68-212-101 et seq., and Rule Chapter 0400-12-01, Hazardous Waste Management. Termination of the permit is in accordance with Rule 0400-12-01-.07(9)(d) and follows the process specified in Rule 0400-12-01-.07(7)(e), which requires this notice and provides for a 45-day comment period, beginning on the date of this publication. A fact sheet and other materials have been prepared to provide details of the units closed and the termination process.

DSWM invites the public to review and submit comments on this proposal during the 45-day comment period ending on August 17, 2020. Electronic copies of the fact sheet and supporting documents are available online at [tn.gov/environment/notices/ettp](https://tn.gov/environment/notices/ettp). Paper copies may be reviewed at the Kingston Public Library, 1004 Bradford Way, Kingston, TN 37763 (865-376-9905).

To comment on the proposed termination, or to request a public hearing, contact Ms. Rita A. Swett in the TSD Permitting Section of DSWM's Central Office at the TN Tower, 312 Rosa L. Parks Ave, 14th Floor, Nashville, TN 37243 (615-532-0828), email [Rita.Swett@tn.gov](mailto:Rita.Swett@tn.gov), or fax 615-532-0938. **Comments must be received by 4:30 p.m. CDT, Monday, August 17, 2020, to assure consideration.**

A request for a public hearing requires a significant degree of public interest. The request shall be made in writing, including the contact information of the requestor, and shall state the nature of the issues to be raised at the hearing.

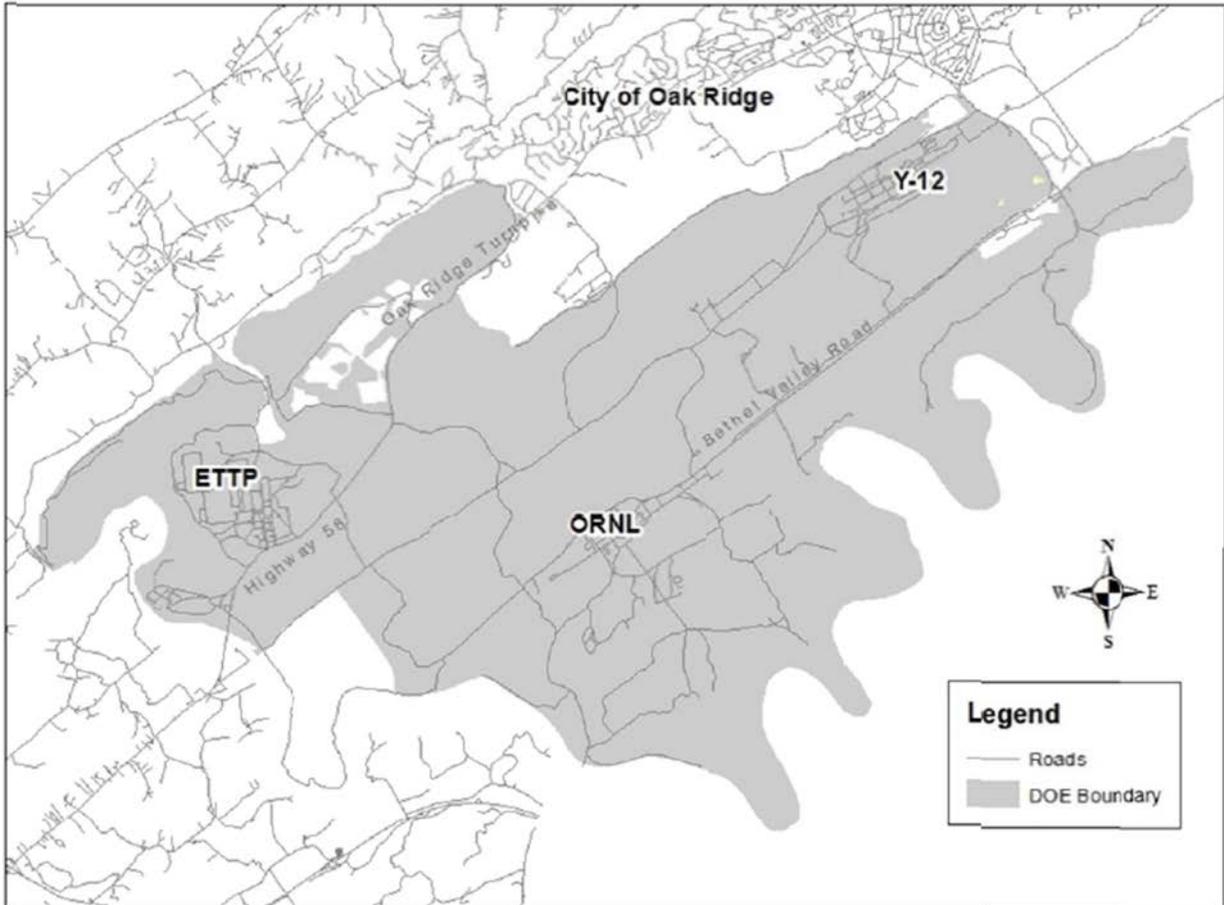

After considering all comments, DSWM will make a final decision to either approve or deny the permit termination. Notice will be given to the applicant and each person who has submitted written comments or requested notice of the final decision. At the time the final permit termination decision is issued, a Response to Comments addressing all significant input received on the permit termination will be made available to the public. The final decision shall become effective upon signing by the Director of DSWM.
