HICKMAN COUNTY DEMOLITION LANDFILL
PLANS LATERAL EXPANSION

Hickman County has applied to the Tennessee Department of Environment and Conservation (TDEC), Division of Solid Waste Management (DSWM), for a solid waste disposal facility permit modification to construct a lateral expansion of the existing Hickman County Demolition Landfill (DML410000078). The facility is located in Hickman County at 2220 Skyview Drive, Centerville, Tennessee (latitude 35.831794° N/longitude -87.456217° W). The waste materials to be accepted are classified as farming wastes, landscaping and land clearing wastes, construction/demolition, shredded automotive tires, and/or certain wastes having similar characteristics and approved in writing by TDEC.

Under State law, the applicant must obtain a modification of the existing permit before constructing or operating the proposed facility expansion. DSWM has received a Part I Permit Application indicating Hickman County’s desire to obtain the required major permit modification.

A complete permit application consists of both a Part I and a Part II, as described in Regulations Governing Solid Waste Processing and Disposal Facilities in Tennessee, Rule 0400-11-01-.02(3)(c). When the facility submits the complete Part II application, DSWM will do an in-depth review to determine if the application meets the technical standards of the Regulations described in Tennessee Rule 0400-11-01-.04(9), Solid Waste Processing and Disposal. Once the technical review is completed, DSWM will make a tentative decision to either grant or to deny the permit and will issue a public notice. This second notice will provide the public at least 45 days to submit written comments on the proposed action. If there is a significant degree of public interest, DSWM will schedule a public hearing and give at least 15 days’ notice. A public hearing may be announced in the second notice if DSWM is already aware of significant public interest. After considering all comments received, the DSWM Director shall issue a final permit decision and a response to comments.

For further information on this matter, contact the DSWM at the TDEC Columbia Environmental Field Office, 1421 Hampshire Pike, Columbia, TN 38401 (931-380-3371), or Mr. Marty Turbeville, Solid Waste Director, Hickman County, 2220 Skyview Drive, Centerville, TN 37033 (931-729-2136).
