

PUBLIC HEARING TO BE HELD FEBRUARY ON NEW CITY OF LAWRENCEBURG CLASS III LANDFILL

The Tennessee Department of Environment and Conservation (TDEC), Division of Solid Waste Management (DSWM), has tentatively decided to issue a new solid waste disposal facility permit to the City of Lawrenceburg for their Class III landfill. This permit will result in 10.96 acres to be used for disposal.

The facility, identified as City of Lawrenceburg Class III Landfill (DML500000129), will be located in Lawrence County at Grinnell Drive, Lawrenceburg, Tennessee (latitude 35°12'26" N / longitude 87°22'48" W). This permit would allow construction, operation, closure, and post-closure care of the Class III disposal facility for the disposal of farming wastes, landscaping and land clearing wastes, demolition/construction waste, shredded automotive tires, and/or certain wastes having similar characteristics and approved in writing by TDEC. No hazardous wastes, as regulated by the Tennessee Hazardous Waste Management Act (Tennessee Code Annotated, Section 68-212-101, et. seq.) and the Rules adopted pursuant to the Act, shall be accepted for disposal at this facility. The official responsible for operation of the facility is Mr. Gary Hyde, City of Lawrenceburg Landfill Director, 233 West Gaines St., NBU #4, Lawrenceburg, TN 38464 (931-762-5847).

DSWM has made a preliminary determination that the City of Lawrenceburg's landfill application meets the applicable requirements of Tennessee Rule Chapter 0400-11-01, Solid Waste Processing and Disposal. Pending consideration of any comments received during the 45-day comment period ending on March 16, 2020, DSWM intends to issue this permit.

From 5:30 p.m. to 6:00 p.m. CST, an informational session will be held. The public may inspect and discuss the permit application, draft permit, fact sheet, plans, and other materials with the DSWM and with representatives of the applicant. There will also be an opportunity for comments to be recorded or written and submitted during this time. The formal hearing will begin at 6:00 p.m. First DSWM will explain its tentative decision to issue the permit. The applicant's representative will describe the proposed facility action/expansion.
