

**KNOXVILLE LANDFILLS, LLC
APPLIES FOR EXPANSION OF RIVERSIDE C&D LANDFILL**

Knoxville Landfills, LLC has applied to the Tennessee Department of Environment and Conservation (TDEC), Division of Solid Waste Management (DSWM), for a solid waste disposal facility permit modification for an expansion of the Riverside C&D Landfill (DML47000011). The facility is located in Knox County at 3330 Delrose Drive, Knoxville, Tennessee (latitude 35.980347 ° N/longitude - 83.867839° W). The waste materials to be accepted are classified as landscaping and land clearing wastes, demolition/construction wastes, shredded automotive tires, and/or certain wastes having similar characteristics and approved in writing by TDEC.

Under State law, the applicant must obtain a modification of the existing permit before constructing or operating the proposed facility expansion. DSWM has received a Part I Permit Application indicating Knoxville Landfills, LLC's desire to obtain the required major permit modification.

A complete permit application consists of both a Part I and a Part II, as described in Regulations Governing Solid Waste Processing and Disposal Facilities in Tennessee, Rule 0400-11-01-.02(3)(c). When the facility submits the complete Part II application, DSWM will do an in-depth review to determine if the application meets the technical standards of the Regulations described in Tennessee Rule 0400-11-01-.04(9), Solid Waste Processing and Disposal. Once the technical review is completed, DSWM will make a tentative decision to either grant or to deny the permit and will issue a public notice. This second notice will provide the public at least 45 days to submit written comments on the proposed action. If there is a significant degree of public interest, DSWM will schedule a public hearing and give at least 15 days' notice. (A public hearing may be announced in the second notice if DSWM is already aware of significant public interest.) After considering all comments received, the DSWM Director shall issue a final permit decision and a response to comments.

For further information on this matter, contact the DSWM at the TDEC Knoxville Environmental Field Office, 3711 Middlebrook Pike, Knoxville, TN 37921 (865-594-6035), or Mr. Larry Seivers, District Manager for Knoxville Landfills, LLC, 6236 Rutledge Pike, Knoxville, TN 37924 (865-240-3442).
