ACKNOWLEDGMENTS and DISCLAIMERS

The *Compliance Guide Notebook* was developed by the Tennessee Department of Environment and Conservation (TDEC) Lead Hazard Program based on collaboration with the Ohio Department of Health Lead Poisoning Prevention Program. Lead Hazard Program staff members thank Dr. Daniel Chatfield and Lisa Zumstein for their assistance and support.

This *Compliance Guide Notebook* is intended to assist lead-based paint certified supervisors, project designers and firms who conduct lead abatement activities in target housing and child-occupied facilities within the State of Tennessee.

The State of Tennessee in citing the information contained in this manual, makes no warranty and assumes no legal liability for the information as presented.

This *Compliance Guide Notebook* was produced with grant funding provided under the Toxic Substances Control Act, Section 404(g), from the U.S. Environmental Protection Agency, Office of Prevention, Pesticides and Toxic Substances.
