Park Strategic Management Planning Public Meeting

Response To Comments

Old Stone Fort State Park

The 10-year individual Park Strategic Management Plans for Tennessee State Parks are part of the overall planning processes within the department and are developed to guide the management and direction of each park. These plans steer continued success of each park and influence long term innovation by the park staff. Building on Tennessee State Parks' strong foundation they seek to address the various challenges anticipated for each park. The Strategic Management Plans present a strategic and actionable strategy for the next 10 years.

This response to comments document is shared publicly as a record of comments that were made at a public information meeting as well as online.

Location: Manchester Coffee County Conference Center

Public Comments:

"Really appreciate the historical and cultural emphasis in the plan. I would utilize the audio tour. I think that's a great idea for children and adults alike. I'm also excited to see the new river overlook and new trail. Think it would be great to have another trail to explore. I don't know if your bridge change would help this, but somehow more parking would help on busy days. "

Response from Tennessee State Parks:

Thank you for your interest and participation in the Old Stone Fort State Park Strategic Plan review process. Your comments and concerns were reviewed and considered by the Tennessee State Parks management and leadership team. We appreciate your support of the park and hear your feedback on trails and parking.

Attached is a copy of the final plan. Your input is instrumental, and we appreciate your commitment to making the park even better. Thank you for being a vital part of this collaborative effort to enhance Old Stone Fort State Park.
