### **Park Strategic Management Planning Public Meeting**

#### **Response To Comments**

#### **Red Clay State Park**

The 10-year individual Park Strategic Management Plans for Tennessee State Parks are part of the overall planning processes within the department and are developed to guide the management and direction of each park. These plans steer continued success of each park and influence long term innovation by the park staff. Building on Tennessee State Parks' strong foundation they seek to address the various challenges anticipated for each park. The Strategic Management Plans present a strategic and actionable strategy for the next 10 years.

This response to comments document is shared publicly as a record of comments that were made at a public information meeting as well as online.
