Copy to Owner: _____	Date: _____
This is to certify that in accordance with Section 67-4-2004 the above described facility meets the criteria for a green energy production facility.	
_____ NAME	
_____ TITLE	

**APPLICATION FOR CERTIFICATION OF GREEN ENERGY PRODUCTION
FACILITY / ALTERNATIVE MOTOR FUELING STATION**

Filing Instructions

Certification of: Green Energy Production Facility

Complete and email application and supporting documentation to: TDECGreen.Energy@tn.gov

If additional space is needed for form completion, please attach a separate page and clearly indicate which form field is being referenced.

This form is intended for certification of a Green Energy Production Facility - Alternative Motor Fueling Station. If certification for a Green Energy Production Facility - Production of Electricity via renewable energy sources including hydrogen, solar, geothermal, and wind resources or a Green Energy Production Facility - Combined Heat and Power are sought, please complete appropriate forms dedicated to those facility types located at the following link:

<https://www.tn.gov/environment/sustainability/funding/green-energy.html>

If this application is submitted for purposes of T.C.A. § 67-6-346, then the Department of Environment & Conservation will review and certify its findings to the Commissioner of the Department of Revenue as prescribed in that section.
