BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 68-215-106, is amended by adding a new subsection (f):

(f) It is unlawful for any person to place, or cause to be placed, petroleum substances in a petroleum underground storage tank or to dispense petroleum from a petroleum underground storage tank when the owner of the tank is required to notify the commissioner under subsection (a) or (b) and the owner has not notified the commissioner of the existence or ownership of the tank. This subsection (f) applies even if no physical notice or tag is placed on the dispenser or fill port or no notice is placed on the department web site pursuant to subsection (c).

SECTION 2. Tennessee Code Annotated, Section 68-215-107(e), is amended by adding the following language as a new, appropriately designated subdivision:

(A) Any violation of this chapter, rules established pursuant to this chapter, and orders of the commissioner or board seeking any remedy as provided in this chapter, such rule, or order; and

(B) Any other statutory or common law remedy available.

SECTION 3. Tennessee Code Annotated, Section 68-215-109(c), is amended by deleting the following language:

All notices related to such fees that are sent to the tank owner or operator shall also be sent simultaneously to any owner of an interest in the petroleum site on which the tanks are located who has maintained a registration for the tanks pursuant to § 68-215-130.

SECTION 4. Tennessee Code Annotated, Section 68-215-109, is amended by adding the following language as a new subsection (g):

At the commissioner’s sole discretion, the commissioner may refund the annual fee or waive or reduce penalties associated with such fee, or both, if:

(A) The annual fee notice was issued to the tank owner or operator subsequent to approval of an application for permanent closure of underground storage tanks by the commissioner;
In the commissioner’s opinion the refund is in the best interest of the state; and

The tank was:

(i) Empty for temporary closure as defined by the board from the beginning of the applicable annual billing cycle until permanent closure; and

(ii) Permanently closed during the applicable annual billing cycle.

(2) This subsection (g) does not authorize the commissioner to refund annual fees other than the annual fee paid for the current annual billing cycle as provided in this subsection (g) or to waive or reduce penalties associated with any unpaid annual fee except as provided in subsection (f) and this subsection (g).

SECTION 5. Tennessee Code Annotated, Section 68-215-110, is amended by deleting subsection (b) in its entirety and substituting instead:

(b) All fees, civil penalties, and damages collected pursuant to this chapter shall be deposited in the fund. Any deposits to the fund that would result in the unobligated balance of the fund exceeding fifty million dollars ($50,000,000) shall be transferred to the highway fund.

SECTION 6. Tennessee Code Annotated, Section 68-215-110, is amended by deleting subsection (c) in its entirety and substituting instead the following language:
