## NEW EMAIL FOR SUBMITTING CLOSURE APPLICATIONS

The Division has initiated a direct email option for submitting applications for permanent closure of UST systems at [Closure.Application.UST@tn.gov](mailto:Closure.Application.UST@tn.gov). This process will ensure closure applications are documented and responded to promptly.

When closing your tanks, compartments, or piping complete the [Application for Permanent Closure of UST System \(CN-0928\)](#), and submit the application by [email](#) 30 days prior to closing any portion of the UST system. More information regarding UST system closures can be found on our webpage [here](#).

*Do not proceed with any closure activities until the application is approved.*
