[Date]

RE: **[Project Name]**
Permit Number: [DW xxxxxxxx;]
[County]

Dear Ms. Dodd,

We have approved the design of the above referenced project consisting of **[add project description]** and agree to own, operate and maintain the proposed project once in operation. We have conducted an analysis and determined the system has adequate flow and pressure for the design flow rate and that the project will not negatively affect existing customers or the water distribution system in general.

[If modeling is performed by the utility or utility's consultant, please state so in the approval letter and submit a summary from the program, as appropriate.]

Sincerely,

[Responsible Party]
