When creating a parking account, you must enter a valid email address. As part of the process, the system will generate an email to the address you provide.

Go to your inbox and click the link provided to verify your email address and activate your parking account.

Click to proceed with the validation of your email address and the creation of your parking account.

Complete the vehicle information section and click “CONTINUE.”

Note* The “Nickname” section is intended to help users distinguish between multiple vehicles listed on the same account.

Welcome to MTSU Parking!

Before you can reserve parking, we need some additional information.
