Nashville, Tennessee, 37243

Third-Party Wetland Professional Registration Form

Third-Party Wetland Professional Registration:

A "third-party wetland professional" means an individual who is:

1. Certified as a professional wetland scientist by the Society of Wetland Scientists or another wetland certifying entity acceptable to the department;
2. Completed at least five wetland delineations in Tennessee;
3. Committed to completing the updated TRAM course within a year of being offered;
4. Registered with the department as a third-party wetland professional, having met the qualifications required by the department; and
5. Not employed by the department.

A third-party wetland professional shall not conduct a permit application review if the third-party wetland professional has a conflict of interest.

In reviewing a third-party wetland professional's permit review filed pursuant to this subsection (z), the department's determination that a conflict of interest exists constitutes grounds for rejection.

To register with the department as a Third-Party Wetland Professional, submit this form to water.permits@tn.gov.

Please complete the following information.

☐

I have read and understand the qualifications and conflict of interest statements above.
