PUBLIC NOTICE TO ALL

POTENTIAL STATE REVOLVING FUND (SRF) LOAN APPLICANTS AND INTERESTED PARTIES

The Tennessee Department of Environment and Conservation (TDEC) will hold a public meeting to present the federal fiscal year (FFY) 2024/state fiscal year (SFY) 2025 draft Intended Use Plans (IUPs) for the Clean Water and Drinking Water State Revolving Fund (CWSRF and DWSRF) and to receive public comments. The IUPs include funding from Base capitalization grants (Base) and Bipartisan Infrastructure Law general supplemental capitalization grants (BIL). Access to these documents will be open prior to the public meeting, on June 10, 2024. Interested parties are encouraged to visit the [SRF website](#).

The state's IUPs outline the intended use of federal and state appropriations for CWSRF and DWSRF. The IUPs include Priority Ranking Lists of eligible drinking water, stormwater and wastewater projects. Additional details on state use of set-asides monies for non-project activities, DWSRF and CWSRF loan program goals, and the criteria and methods used for distributing funds are included. The draft IUPs will be finalized after the 30-day public comment period on July 10, 2024.

CLEAN WATER (STORMWATER AND SEWER) STATE REVOLVING FUND

The State of Tennessee's allotment of FFY 2024 CWSRF Base & BIL General Supplemental capitalization grants is \$53,874,000. Visit the [CWSRF website](#) for details about this program and access to the draft IUPs (released June 10, 2024).

DRINKING WATER STATE REVOLVING FUND

The State of Tennessee's allotment of FFY 2024 DWSRF Base & BIL General Supplemental capitalization grants is \$55,845,600. Visit the [DWSRF website](#) for details about this program and access to the draft IUPs (released June 10, 2024).

Topic Highlights for the Public Meeting

- New Unprecedented Principal Forgiveness Opportunities
- Seize the Moment with 0% Interest Rates for All Communities
- Revolutionize Your Finances with Our New Rate Setting Policy
- Embrace the Future with Our New Web-Based Application (Grants Management System)

OTHER GRANT OPPORTUNITIES

The SRF program has teamed up with the State Water Infrastructure Grants (SWIG) program to release new funding opportunities. Lead Service Line and Asset Management Plan grants are available now. More details about these exciting grant opportunities will be covered during the public meeting.

PUBLIC MEETING INFORMATION

The public meeting will be conducted both in-person and through video-teleconference. To maintain a high level of service, TDEC will continue to provide multiple ways for full and transparent public participation.
