Notice of Individual Permit Decisions
October 2, 2026

This serves as notice of the division's decisions on Aquatic Resource Alteration Permit or §401 Water Quality Certification applications previously posted for public comment. Publication of this notice serves as commencement of the thirty-day period for appeal by third parties pursuant to TCA 69-3-105(i). All documents pertaining to the Aquatic Resource Alteration Permit (ARAP) can be viewed on the TDEC website at [Report on Permits \(tn.gov\)](https://www.tdec.gov/Report-on-Permits)

NRS21.270-26	Applicant:	Tennessee Department of Transportation (TDOT)		
	Activity:	The Tennessee Department of Transportation proposes to impact Hurricane Creek and an unnamed tributary to Hurricane Creek and four wetlands during replacement of two bridges along State Route 230 in Waverly (Humphreys County). It was determined that an emergency situation existed, and this permit for remedial action was issued prior to public notice and participation, but comments on this activity are still being accepted by TDEC.
