# EXPANDING STUDENT SUCCESS

2020

State Of Education  
In Tennessee

Please join Senator Bill Frist, MD, and education leaders and partners from across Tennessee for an event focused on the state's education priorities for 2020.

Each year, SCORE compiles the *State Of Education In Tennessee* report to provide an update on Tennessee's progress in improving student outcomes over the last year and to specify education priorities for the year ahead.

For the first time, we are identifying priorities for a wider education spectrum, from kindergarten through postsecondary education. The event will explore what policies and actions are needed in 2020 to prepare every Tennessee student for success in college, career, and life.

The event's networking breakfast will begin at 8:00 a.m., followed by the program at 8:30 a.m.

Please let us know if you plan to attend by clicking the "reply" button below. (Once you RSVP, you will no longer receive email invitations to this event.) If you have questions, please contact SCORE [Advocacy Manager Shaundraya Hersey](#) or call 615.727.1545.
